Mrs. Smith,

you're such an inspiration. "The miraculous Mrs. Smith," to quote a common cliché. In my last paper for Mr. Resmussen's Contemp. class, I brought out praise galore for this class and his - I've found them both so very delightful and exhilarating. Best wishes to you and your family.

Thanks again,

Dear Mrs. Smith -

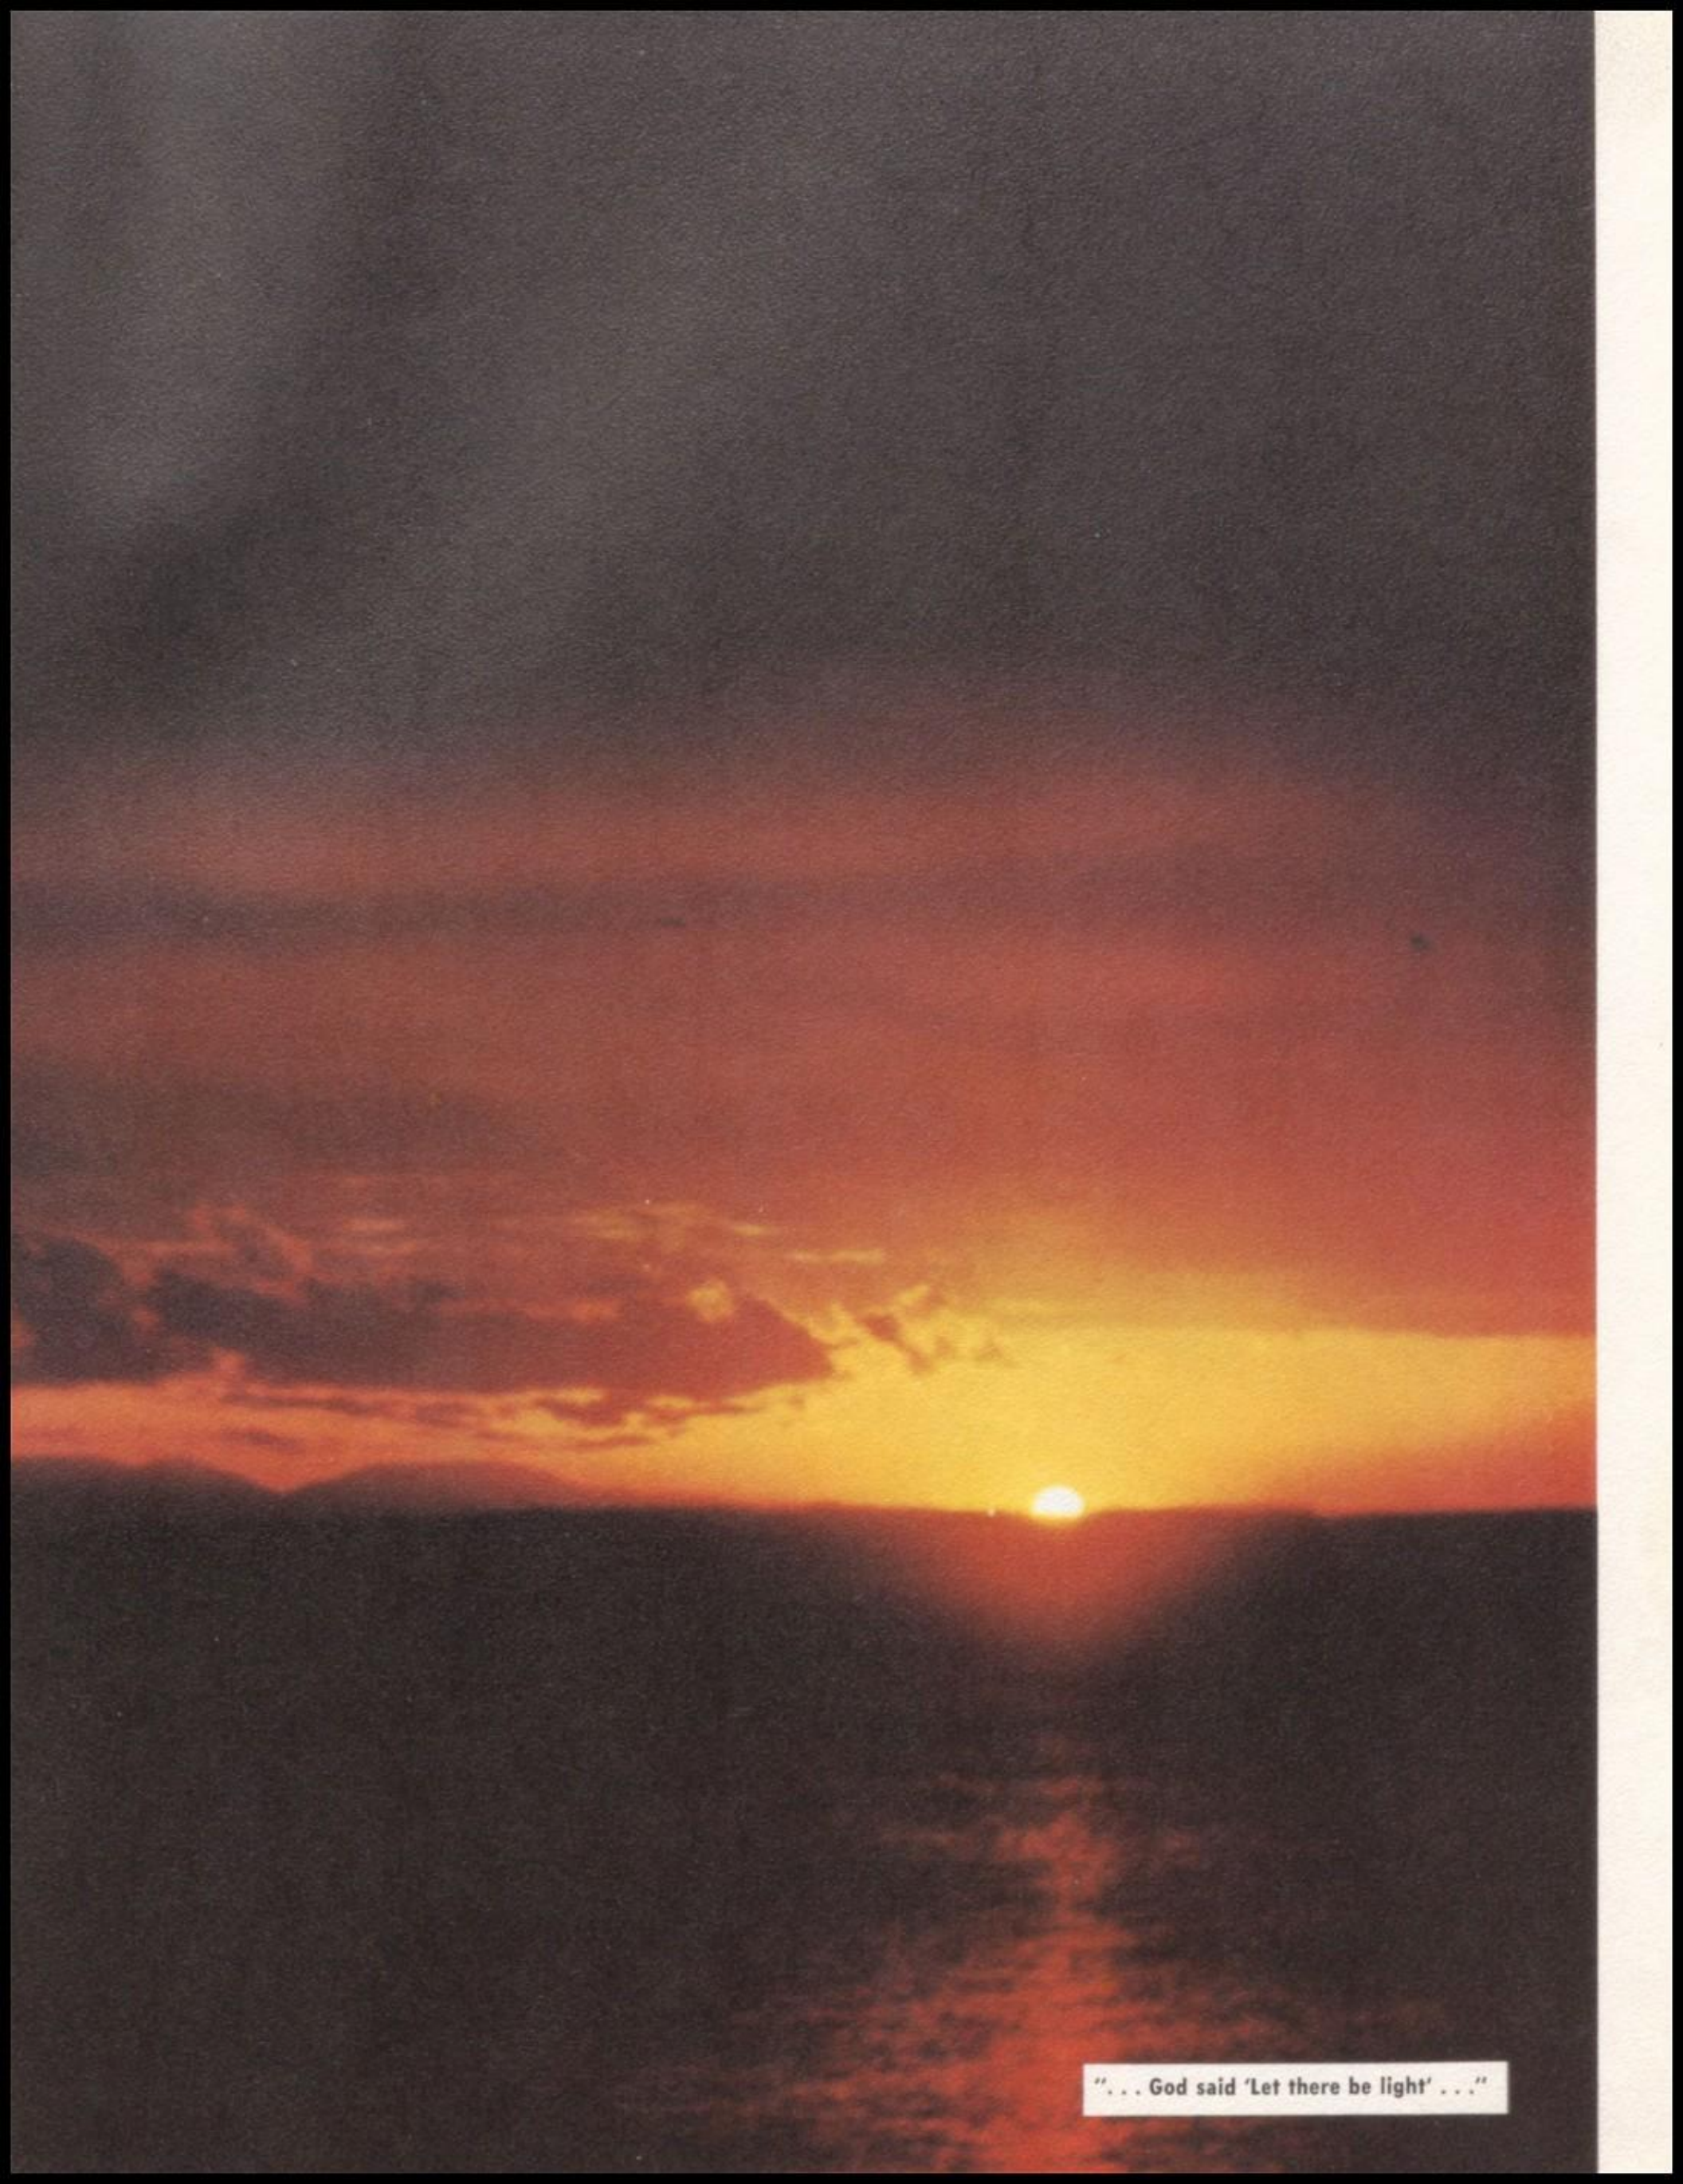

Even though your "B" added variety to my otherwise drab and plain report card, I appreciate the fact that you "stretched my mind" at least a notch, never to slip back again. No longer may the exploiting movie business assume my ignorance. The symphony is no longer graced with the blind worship of one of its listeners. They're doomed!

When I will be differentiating equations in the U.W. physics lab, I'll think of your class and the person who opened up new territories to be explored

- Thank you -

Dear Mrs. Smith

I am very glad I was able to be in your class this semester. I don't know when I've enjoyed working so hard and learning so much. Thank you for all the help you have given me for I know it will be useful in the years to come. I sincerely hope I will be able to have you in my senior year.

Mrs. Smith,

Dear Mrs. Smith, Two days ago I read my sophomore paper on "The Function of the Arts" & therein I encountered stark evidence of the most significant force behind my intellectual growth (such as it has been these past three years) that force, of course, is you. Your consistent, fearless, tactful but effective "needling" has made me angry, shaken, & resentful, but ultimately has caused me to shed a few prejudices, adopt a few ideas, and gradually develop a truer, more rational (I hope) way of making opinions & judgments. If I am at all worthy of your careful teaching, I will continue this painful, dangerous, frightening, but utterly compelling intellectual life. If not, I at

ASR Lights Way

Lighting the path of the Good Ship Roosevelt as it steamed toward "New Horizons," the ASR added many new activities in the 1959-60 school year.

A ninety-eight per cent sale of student passes financed ASR activities. Among the new projects begun under the "New Horizons" theme were Lock Your Locker Week; ASR Week, featuring the ASR Constitution; a visit to Roosevelt by Santa; Homecoming Week; discussion of an Honor Code, and a series of lectures on current topics by prominent speakers. ASR traditions were continued through the annual Orientation Assembly, Color Week, and the Traditions Assembly.

Under the direction of Mr. Robert Bell, new activity coordinator, the ASR officers, cabinet, and student council worked to keep Roosevelt's student government running smoothly. Corresponding Secretary and Student Coordinator of ASR Committee Chairman were two leadership positions added to ASR government this year. Advisory Council worked to create a new atmosphere—one which was more friendly and which put the emphasis on helping rather than on punishing. Primarily, it handled smoking and study hall problems. Twenty-seven ASR committees dealt with specific aspects of school problems.

Committee chairmen help coordinate their committees' plans so that they will be an integral part of our student government.

Individual students and organizations can present their problems to the Student Council for arbitration.

An example of cooperation between the students and faculty is present in the organization of the Finance Committee.

The members of Inter-High Traffic Safety Committee work with the Seattle Police Department, as well as the faculty and students, in promoting the development of better safety habits by all Roosevelt students and faculty.

Two members from each roll room are chosen to represent their rolls in the Student Council by taking the requests of their group to the Council and reporting the results of the Student Council action. They often assume leadership within their rolls by reading bulletins, assisting with drives and other activities.

Pass sales are boosted through posters, assemblies, and roll room skits which are organized by the Pass Sales Committee. *Back row*—Jennifer Haughwout, Diane Waring, Sue Frisbie, John Barnett, Charlie Saunders, Paul Wienir, Fred Enge, Jim McCaffree, Becky Knudson, Christine Jenner. *Middle row*—Mary Dungan, Cindy Dack, Betty Baker, Barbara Feltis, Dorothy Clay, Sheri Ziegman, Patty Castle, Marli Schenck, Barb Key, Viv Kayes, Sallie Cook, Sue Hurley, Carol Inhelder. *Front row*—Cathy Jones, Pat Wise, Gail Warnell, Robin Cameron, Maita Vincent, Nancy Harrell, Pat Walkup, Candy Pearson, Mary Ann Steinberg. Committees Aid School

Students chosen by faculty and committee members for outstanding achievement are pictured in the Hall of Fame display case by the Library.

Ethical Conduct Committee promoted honesty, especially in regard to tests, by using blackboard slogans, showcase displays, and speakers who visited Sophomore classes at the beginning of the year. As a result of one of the activities of the Lunchroom Committee, the Lunchroom was given a name for the first time in the history of Roosevelt . . . "The Rim Room."

Because the Study Halls are large, it is necessary that certain capable students assume the responsibility of helping the teachers take roll; this is the job of the Study Checkers.

Students' table manners are kept in check by the Lunchroom Committee: *Back row*—Jim Harper, Bob Cole, Roger Gould, Mike Murphy, Al Shannon, Jerry Soltis, John Whalley, Al Bailey, John Bush, Jan Siks, John Cathey, Chuck Gable. *Middle row*—Ben Baker, *co-chairman*; Nancy MacDonald, Kristi Fielding, *co-chairman*; Nickie Garrigues, Marie Bodell, Jo-Anne Ellerbrook, Sue Greenawalt, Marily Houghton, Carolyn Gowdy, Betty Sells, Sally Christofferson. *Front row*—Jill Ossinger, Sally Skewes, Shari Bennie, Sandie Ford, Claudia Thompson. Activities Add Interest

Occasionally students will participate in more than two extra-curricular committees. Activity Recording Committee serves as a check to prevent over-participation in extra-curricular activities. However, Thrift Committee tries to encourage over-participation, in banking. During the month of January it sponsored a drive to increase the number of students who bank.

The theme of the drive was "Bank now . . . spend later."

Study supervisors hold an ASR appointive office and work directly with Advisory Council. Their main purpose is not to punish a student, but merely to bring his offense to the attention of the student himself. Alumni Committee keeps the record of past and present Roosevelt students up-to-date each year.

Activity Recording Committee members check on all students to prevent over-participation in extra-curricular activities: Donna Walsh, Kathy Ferguson, Carol Trumble, Mary Kivell, Bob Lingafelter, Judy Stone, *chairman* (seated).

Accurate information concerning Roosevelt "grads" is recorded by the Alumni Committee: *Back row*—Kathy Matau, Marilee Miller, Suzie Barnard, Dawn MacDonald, Marilyn Sanderson, Connie Farr, Cathy Rein, Judy Douglas, Kari Arestad. *Front row*—Marian Mayer, Joy Johnson, Susan Mayer, Cheryl Johnson, Sharon Cordry, Betty Armstrong, Cathie Kenning, Linda Lewis, Christine Goldback, Karin Pihl, Marsha Dodenhoeft, Margie Rhodes, Kay Carroll, Susan Porad, *chairman*. Throughout the year, members of Thrift Committee sponsor drives to encourage participation in the School Savings Account program: Donna Turner, Robyn Werner, Betsy Walker, Barbi Woodburne, *chairman*; Lynn Faust, Lynn O'Leary. (Missing): Mary Jane Leonard.

Duties of the Study Hall Supervisors center around enforcing student observation of all study hall rules and regulations: *Back row*—Ernie Olson, Mike Prouty, Doug Willard, Ted Thwing, Allen Douglas, Wes Riegel, John Veblen, Steve Elgren, Dick Allen, George Watts, Ron Barthrop, Barry Barr, Tom Shepherd, Robert Burnside, Jeff Nice, John Breen, Dick Enders. *Third row*—Rob Oberg, Dave Sakahara, Mark Roller, Lynn Bassett, Larry Bell, Allen Osterud, Chuck Richards, Jerry Dahl, Jim Heron, Dennis Remlinger, Bill Brastow, Bob Bailey, Carl Blackstock. *Second row*—Mel Bartoo, Mike McCoy, John Cunningham, Keith Liptack, Mike Stribling, Mike Dutton, Bill Winblade, Darrell Thompson, Dick Foxal, Gary Clanton, Ray Ernst, John Holmstrom. *Front row*—Tom Dye, Jim Erickson, Clark Douglas, Chuck Sylvester, *chairman*; Lee Williams, Bob McMahon, Dave Hedeon, Fred Enge, Gary Huntley, Tad Degenhardt.

Teddies Toil

Stage Force, Costume Force, and Make-up Corps worked together, helping to present our Senior Play, "A Mid-Summer Night's Dream," and other theatrical productions such as the Revue and the Drama Festival. The Stage Force works behind the scenes operating the curtains, lights, sound effects, and making scenery. Costume Force designs spectacular costumes revealing imagination and skill in duplicating period details. The character of each presentation becomes more realistic under the hands of the Make-up Corps.

The members of Sports Boosters Committee present skits at the pep assemblies keeping our school spirit high and helping to promote the spectator turnout at all athletic events.

The ASR Bulletin Board Committee sees that the Roosevelt students are kept aware of all productions, events, and important dates.

Setting the scenes for school productions are the members of Stage Force. *Back row*—Gerald Nygaard, Chuck Folger, Myron Nelson, *stage manager*; Thomas Harting, Gary Thompson, Brian Grizzel, Russell Johnston, Rick Rose. *Front row*—Mr. Ivar Strauss, *adviser*; Sandy Feltheim, Linda Maynard, Georgiann Giddens, Sue Porad, Barbara Meakins, Marilee Miller. Groups Seek Horizons

Roosevelt students collected over \$400 for the U. G. N. Drive. They also donated 8,000 cans of food for the Salvation Army, and while working on this Christmas project, all rolls participated in buying gifts for the Washington Children's Home. Social Service Committee directs these activities and others through the roll rooms.

Building Improvement and Ground Improvement Committees work together to keep Roosevelt's interior and exterior free from litter. These two committees sponsor a drive to make the students aware of the need for cleanliness at Roosevelt.

Making the games more enjoyable for the majority of students, the Boys' Usher Corps enforces gym and stadium rules which state that street shoes should not be used on the gym floors, that over-enthusiastic students should be controlled, and that unsportsman-like conduct must be curbed.

Girls who pass out programs and escort people to their seats at the Christmas Concert, Senior Play and Drama Festival are members of the Girls' Usher Corps. Acting as hostesses, these girls perform a service which is honored by Torch as work credit.

Dear Mrs. Smith -

It certainly has been an enjoyable experience, having you as my lang. Arts teacher. Judy was always talking about you - and I was lucky enough to have you too. I really hope you enjoy this summer! I have learned an awful lot from you this year and I hope that I will have you again in my senior year. Thanks

Students Take Action

Approximately forty girls who aid the school secretaries in the Main and Attendance Offices must keep the attendance and school records for all of Roosevelt's 2,600 students in order. This is more than an activity; it is an important job that must be done with great care and efficiency. Efficiency is also evident in Roosevelt's Debate Team which participated in many inter-high school debates. The general topics for discussion on this year's debates dealt with contemporary events.

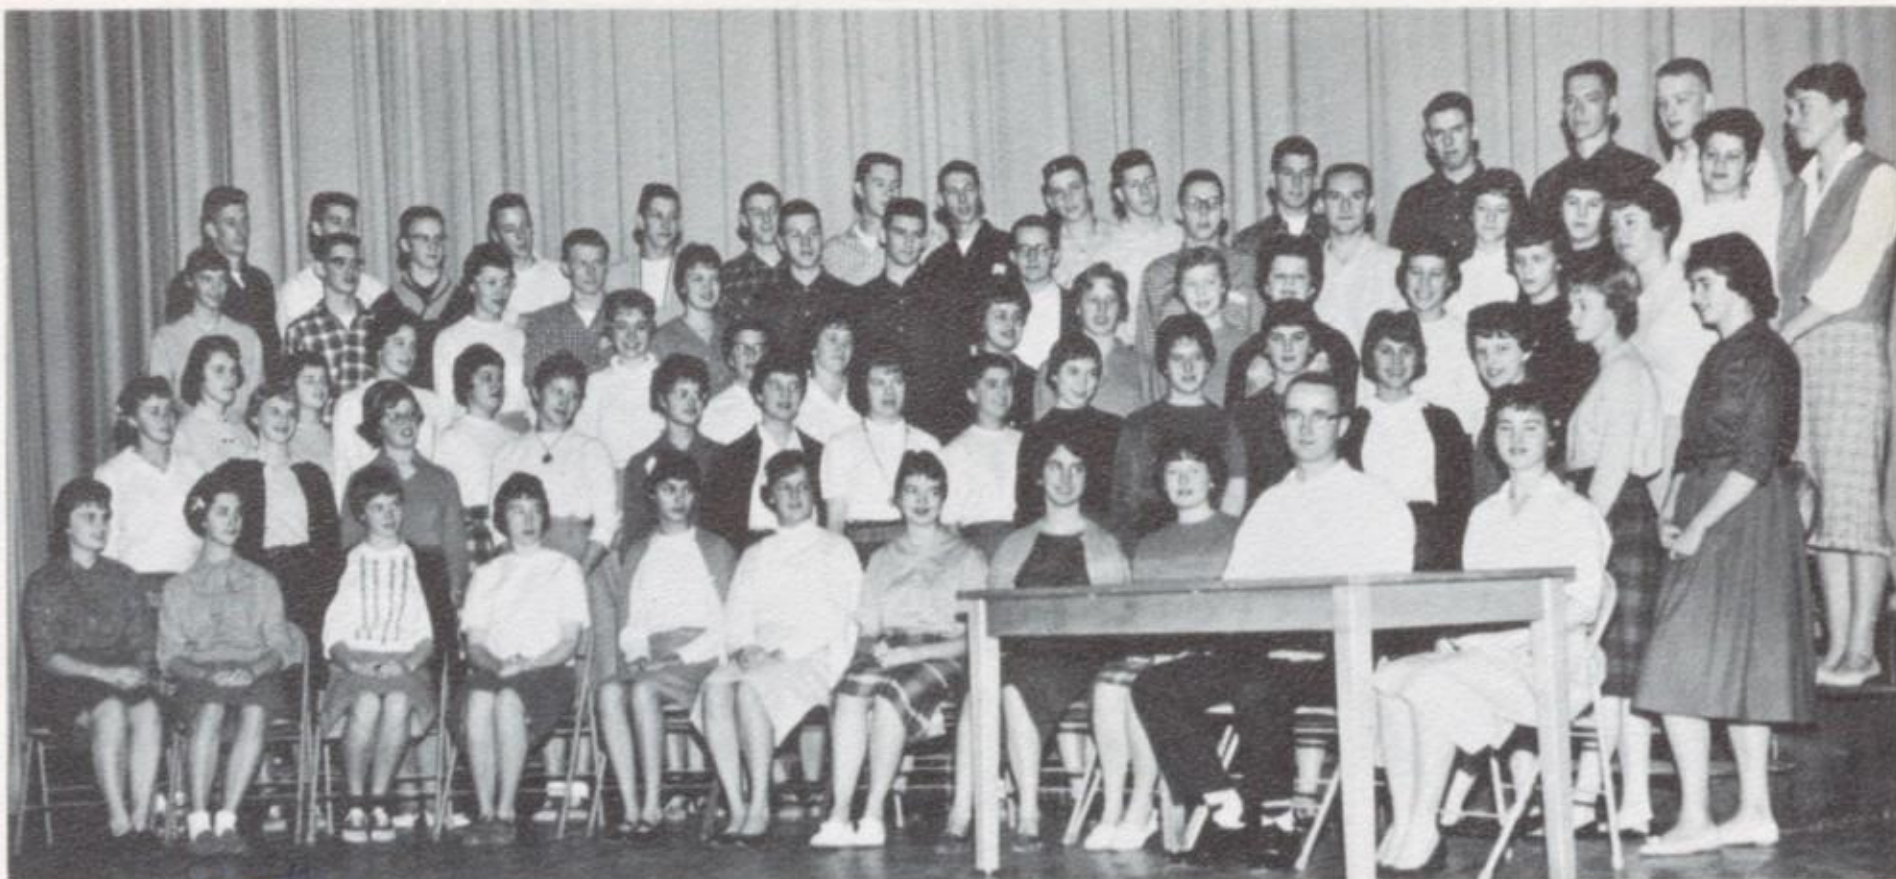

Members of the *Compass* Committee write explanatory and informative articles on aspects of Roosevelt life. These articles are condensed into a small handbook, the *Compass*, which is used as a guide by students new to Roosevelt. One aspect of Roosevelt life is the P-TA Dances. P-TA Dance Committee plans the theme, the decorations, the entertainment, and the publicity for these bi-monthly dances held in the Eckstein gym.

Girls assist in the Main Office by performing clerical duties: Lola Dunham, Dolores Smith, Cindy Dack, Julie Coryell, Pat Edmond, Sharon Edmonds, Mary Hilt, Joyce Briggs, Karla Strandin, Priscilla Dethlefs, Kathy Knappe, Betty Baker, Jackie Johnson, Jackie Murphy, Charlein Paxten, Judy Yeo, Geraldine Bourassa, Diana Hillman. Activities Blaze

There are eleven clubs which appear in the Roosevelt Annual.

TR's is primarily a service organization. Setting up tables for dinners such as the Father-Son Banquet and the Hollyberry Tea is among the many services which TR's perform for the school. RIRO, Roosevelt International Relations Organization, promotes the exchange of students. This year an assembly was given featuring an exchange student from Germany and a Lincoln High School boy who had just returned from his stay in Germany. Many of the people in the Folkdancing Club have taken dancing for a number of years and dance professionally.

Groups Offer Help

With an eye toward the future, the Future Teachers of America listen to experienced teachers who speak at their meetings. This group has given service by being teacher-assistants this year.

Another service group is the Spades who are interested in the well-being of spastic children. Some of their projects consist of making scrapbooks for the children and conducting money-making functions. All profits go to the hospitals and institutions caring for these children.

Publicity Committee helps here at school by informing students of coming activities such as the Middy Drive, Senior Play, Revue, Torch Banquet, and others.

Orientation Committee is the Roosevelt welcoming committee that represents the student body. Its main objective is to make the new student feel at home and, in doing so, help him to do his best work.

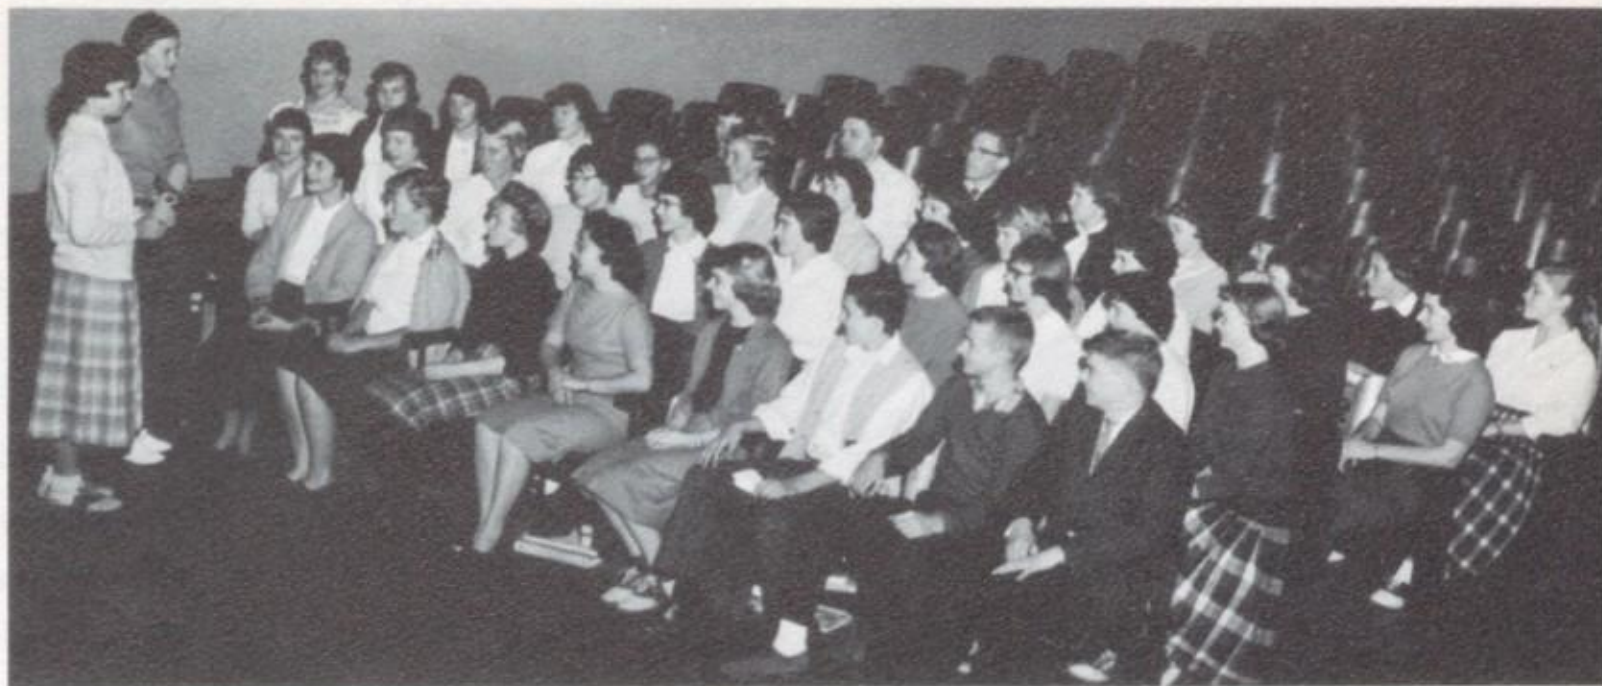

Our library, containing over 1200 volumes, is serviced by student librarians who work in the library one period a day.

The Audio-Visual Squad and the Bookroom Staff take charge of the many educational aid machines and books available here at Roosevelt. *Standing*—Jim Cunningham, Russ Brown, Dick Johnson, Bill Anderson. *Sitting*—Gary Gibson, Phil Maynard, Al Ross, David Baker, Don Younghusband. Mrs. Smith,

I have just gone through a semester that I will not forget. It has been filled with times of jubilee and times of the opposite, but I have really profited from all of the assignments.

I will always remember of you as a very nice person with a rarely fading smile.

I wish you the best of everything in the future.

Thank you for everything.

Sincerely,

Boys' Club Serves

Would you like to help plan and direct a Father-Son Dessert or Hot Rod Show, or help make a scrapbook highlighting athletic events? Boys at Roosevelt are provided with the opportunity to participate in many different ways through the Boys' Club.

Four hundred fathers and sons attended the annual Father-Son Dessert held on December 8. The principal speaker was Roy McKasson of the Huskies, Rose Bowl Champions. Special entertainment was provided by the Highline High School tumbling and trampoline act. Bruce Winter and Pete Howard were general supervisors of the annual event.

Roosevelt boys are represented by the Boys' Club Cabinet. It consists of the officers and other members appointed by the officers and Mr. Robert Bell, Boys' Club Adviser. Cabinet meets Wednesday mornings to coordinate the activities of the different committees and to prevent the overlapping of ideas.

Members of the Boys' Cabinet meet with the officers to plan and organize all activities of the club. *Back row*—John Cathey, Greg Thompson, Wayne Evans, Dick Enders, Bruce Winter, Pete Howard, Bob Meston, Ed Stroble. *Front row*—Dennis Zehrung, Jan Siks, Jerry Rein, Dennis Bloch, Mike Daugherty, Chris Doces, Jim Jaquet, (standing); Bruce Beard, Curt Pearson, Jon Long. GC Sets Goals

"New Horizons," the ASR theme, came alive as a record number of girls signed for Girls' Club committees this year. Keeping this theme in mind, the officers of the Girls' Club tried to blend all activities to meet the interests of Roosevelt girls. Sophomores were oriented and introduced to Juniors and Seniors through the Big and Little Sister program. This was organized in the summer and was climaxed with a party late in September. Committee chairmen and two representatives from each committee attended the Little Conference to solve problems and inspire qualities of leadership in the girls. Scrapbooks were sent to our exchange school in France, and pillows were made for the Red Cross by different committees. The Publicity Committee established a new policy of working with the corresponding Boys' Club committee in activities such as the GC-BC P-TA Dance. Parents observed the organization of the Girls' Club through their attendance at the Father-Daughter Banquet, the Mother-Daughter Banquet, and the Holly Berry Tea. Climaxing the year were elections and the inaugural. In all these activities, special projects were assigned to each committee to create unity in the Girls' Club.

Spruffs Aid Others

Ninety-nine Teddies composed the Senior honoraries, Golden Spurs and Roughriders. Members were chosen for school service, grades, and upon recommendation from faculty members and former Spurs and Ruffs.

Spurs did one daily hour of school service in the library and in the main and counselling offices. They were teachers' secretaries, and they held ASR offices. Community service included helping at the Seattle Handicap Center and the Library for the Blind, and working on projects such as the March of Dimes. A new service this year was helping at the Fircrest School for the Mentally Retarded. Bimonthly Spur potlucks combined fun and learning.

Roughriders served at the Father-Daughter and Mother-Daughter Banquets. They also worked at the Handicap Center. Roughrider Choir, in its second year, became well-known for such songs as "There Is Nothing Like a Dame."

Yelling contests at pep-assemblies sparked friendly inter-group rivalry. However, the groups undertook two joint projects: escorting teachers to the Faculty Tea and sponsoring a P-TA Dance.

"For an increasing number of people, scholarship is a way of life, not merely an intellectual discipline. Unfortunately, the American people have never genuinely prized scholarship and usually have been a bit suspicious of intellectuals.

"However, in the atomic age, our nation is beginning to turn to the well-educated for leadership in the continuing grim race for world leadership. As a result, tremendous opportunities for rewarding service and a satisfying way of life are opening to dedicated students. Only through a dedicated and well-educated leadership can we hope to win the long, patient costly struggle over the ancient enemies of men—war, poverty, and tyranny."

Carl O. Lawrence

"I feel very privileged to have been associated with Roosevelt High School for a number of years. Our school is in the best tradition of the comprehensive American high school, with its rich academic program, its wide assortment of non-academic electives, its skillfully directed athletics, and the effective student-faculty cooperative government—the Associated Students of Roosevelt.

"The aim of each student upon entering Roosevelt should be a high school career made up of all these facets of our school life, placed in their proper perspective. Then we may say with purpose, 'What I Am To Be I Am Now Becoming'."

Faculty Enlightens

As lighthouses, buoys, and searchlights guide ships at sea, so does the faculty offer vocational help and scholastic training to students at school. The faculty tries to rotate its searchlight to cover many experiences and then encourages the student to follow a light beam to his chosen vocation.

The faculty of Roosevelt is composed of ninety-five members including two foreign exchange teachers. Our teachers come from such places as Louisiana, Illinois, Iowa, Vermont, Maine, Texas, Minnesota, and Kansas. Several foreign nations are also represented: Canada, Algeria, England, and Austria.

Among the colleges which the teachers have attended are Smith College, Columbia University, University of Algeria, Cornell University, University of California, Harvard, University of Michigan, University of Florence, and Grinnel College. During leisure time the faculty participates in such activities as photography, gardening, traveling, tennis, golfing, boating, and writing for publication.

Most important, the teacher through his own experience, education, and activities can inspire and encourage the students in the business of daily living.

Consultations with the counseling staff have solved the problems of many students.

Dear Mrs. Smith,

I feel privileged and fortunate that I had to teach in 103 and to enjoy your hospitality (on the widest sense). It is difficult to say that how and why I admire you, your independent penetrating thought, your capacity for work, your kindness and benevolence, your mastery in guiding young people and young minds, your wide range of humanity, a center of

Teachers Visit

Since 1949 Seattle has been participating in the Foreign Teacher Exchange Program, a nation-wide function. This past school year there were eight foreign teachers in Seattle schools. Roosevelt was most fortunate to have two of these foreign teachers as members of the faculty for one year.

Georg Jungwirth

Der Deutsch Lehrer who makes a point of being known as an Oestereicher is Dr. Georg Jungwirth, our exchange teacher from Austria. He is participating in the Fulbright Program as an exchange teacher. In his home-town, Linz on the Danube, Dr. Jungwirth teaches in two schools: the Bundesrealschule and the Bundegymnasium.

Dr. Jungwirth enjoys hiking in the mountains around his home-town. He also enjoys music and discussing the humanities. While he was at Roosevelt, Dr. Jungwirth taught German and Latin.

a person to whom one feels thankful not only for what she does, but for what she is. I try to repay what I received and feel very poor, I have only good wishes, but many, many - You were a great part of my meeting America. Thanks! home, family, but!!

Shirley Robertson

Wigan, Lancashire, is the home-town of Miss Shirley Robertson, our exchange teacher from England. Miss Robertson was selected for the exchange post by a British committee for the interchange of teachers between Britain and the United States. Upon her return to England she will resume her previous duties of teaching in the Teachers' Training College in Hereford. While at Roosevelt, she taught Language Arts and also was the faculty director for the Senior Play.

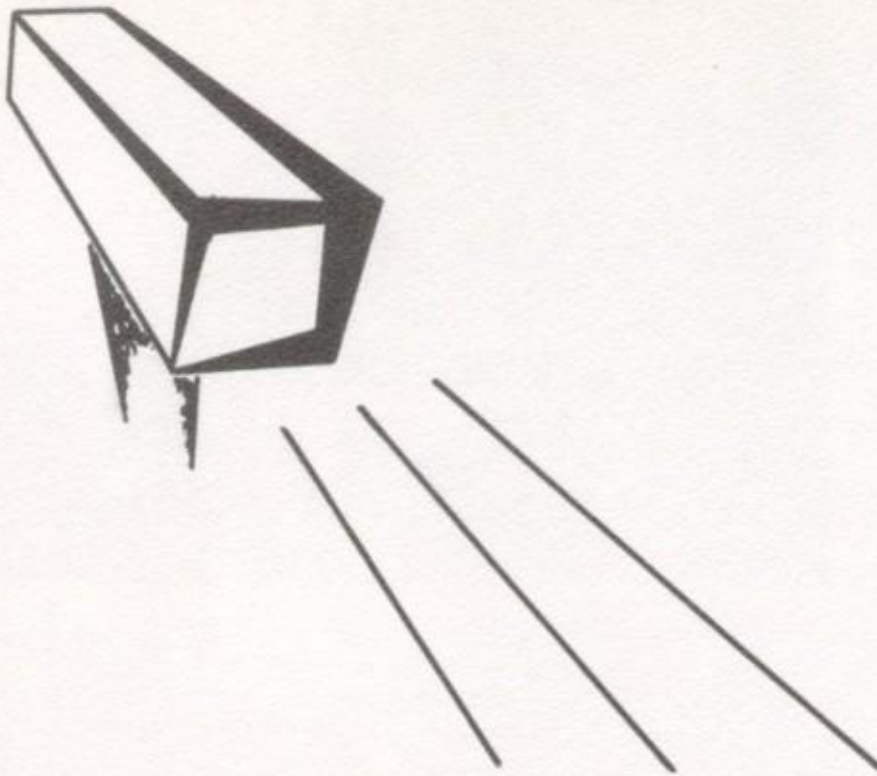

Faculty Wins Spotlight

Featured in the spotlight is a group of Roosevelt teachers who attended educational conferences last summer.

Four teachers were chosen to attend the Foreign Language Institute at the University of Washington. These teachers worked with a group specializing in French, Spanish, Russian, and German, and conversed and read only in those respective languages.

Roosevelt was represented at Mathematics and Science Institutes by three members of the faculty. The meetings were held in Colorado and Eastern cities. The main purpose of each was to improve the texts, methods, and materials used in these areas.

The aims of the educational conferences are to stimulate interest, improve the competency of the teachers, and to demonstrate new teaching methods.

Discussing their experiences at the Foreign Language Institute held at the University of Washington last summer are Richard Junco, Igor Gladstone, Sarah Vyborny, and Philip Baudin.

Lee Folsom, David Scott, and Phillip Stucky evaluate the new ideas they encountered at the government-sponsored Math and Science Institutes.

Planning the agenda for a Torch Assembly are Bruce Campbell, *president*; Mr. Dean Walters, *adviser*; Frances Meyers, *vice-president*; and Christine Hunnicut, *secretary-treasurer*.

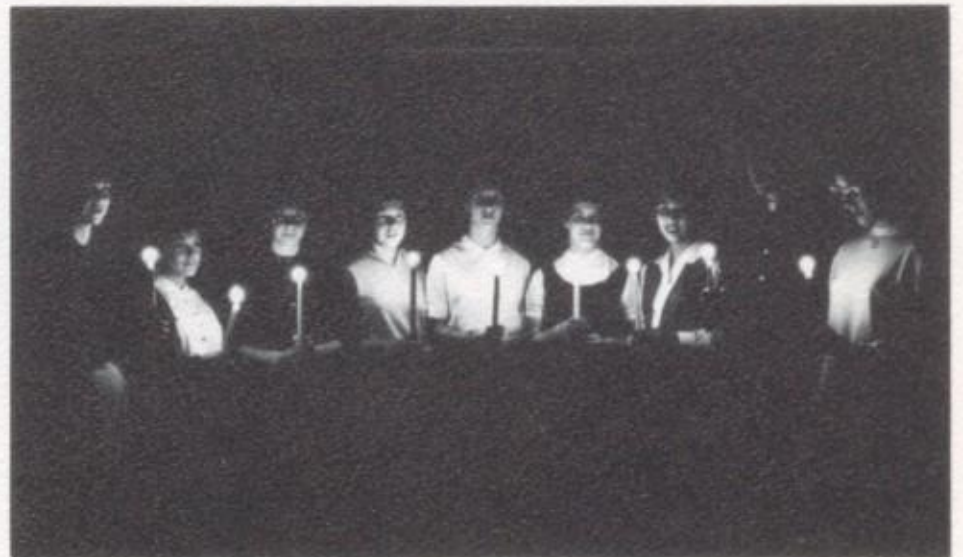

Torch Sheds Light

Torch is a symbol of the guiding light of knowledge. The purpose of the Torch Honor Society is to recognize high intellectual achievement and scholastic ability.

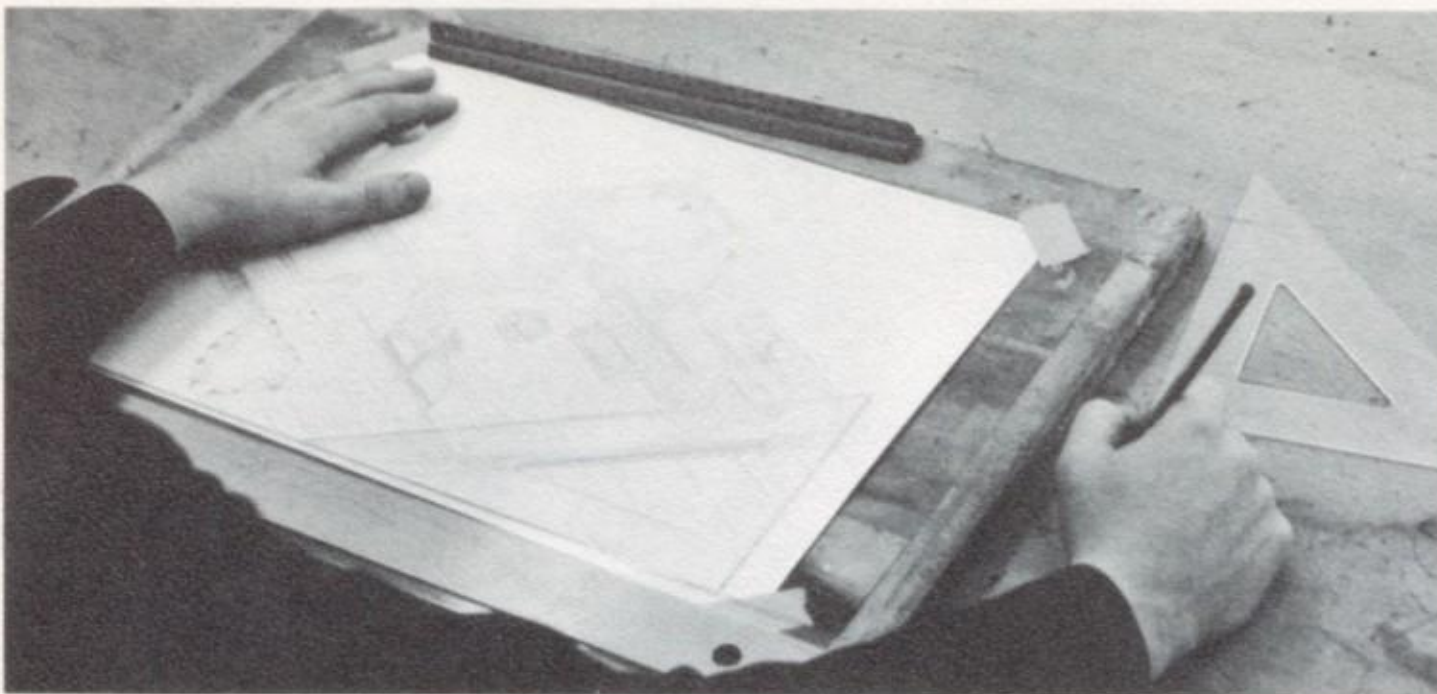

The Torch Society held an election assembly early in the fall. Twelve candidates ran for three offices. Chairmen were chosen for the following committees: Bulletin Board, Banquet, Assembly, Elections, Appreciation, Publicity, Membership, and Vocational Seminar.

Special assemblies held during fifth period for Torch members featured a variety of programs. A student could learn more about his chosen occupation at the vocational seminars sponsored by Torch. Senior members of Torch could participate in an honor study sixth period in room 211 without supervision. The spring Torch banquet honored its members.

The Torch Committee chairmen who helped the light of Torch to shine brighter are Eleanor Milner, Sandy Weiser, Jolene Herrin, Kathy Church, Myrna Ferch, Jeri Mortensen, Carol Inhelder, Lee Peterson, Linda Hunnicutt.

Senior members of Torch are able to study in a relaxed atmosphere in this "honor study." *Back row (hidden)*—Dick Crosetto, Lee Scott. *Third row*—Terry Murphy, Bruce Campbell, John Holmstrom, Jim Johnson. *Second row*—Tad Lhamon, Lynn Bassett. *First row*—Necia Gamm, Marcie Bodmer.

Curriculum Changes

New courses have been added to the Roosevelt curriculum to help meet the challenge of the Space Age, but it is fallacious to assume that the school is suddenly awakening from intellectual slumber to the dawn of a scientific era. Roosevelt has offered college mathematics since 1937; students have long had the option of taking chemistry and physics.

The faculty is not interested in "chasing sputniks"; rather, it seeks to provide a balanced diet of curricula for its student body. Science is important, but science is not placed ahead of a general, diversified education; mathematics is useful in today's world, but equally important are foreign languages and the arts. Using these axioms, Roosevelt has gained the reputation of preparing its students well for higher education.

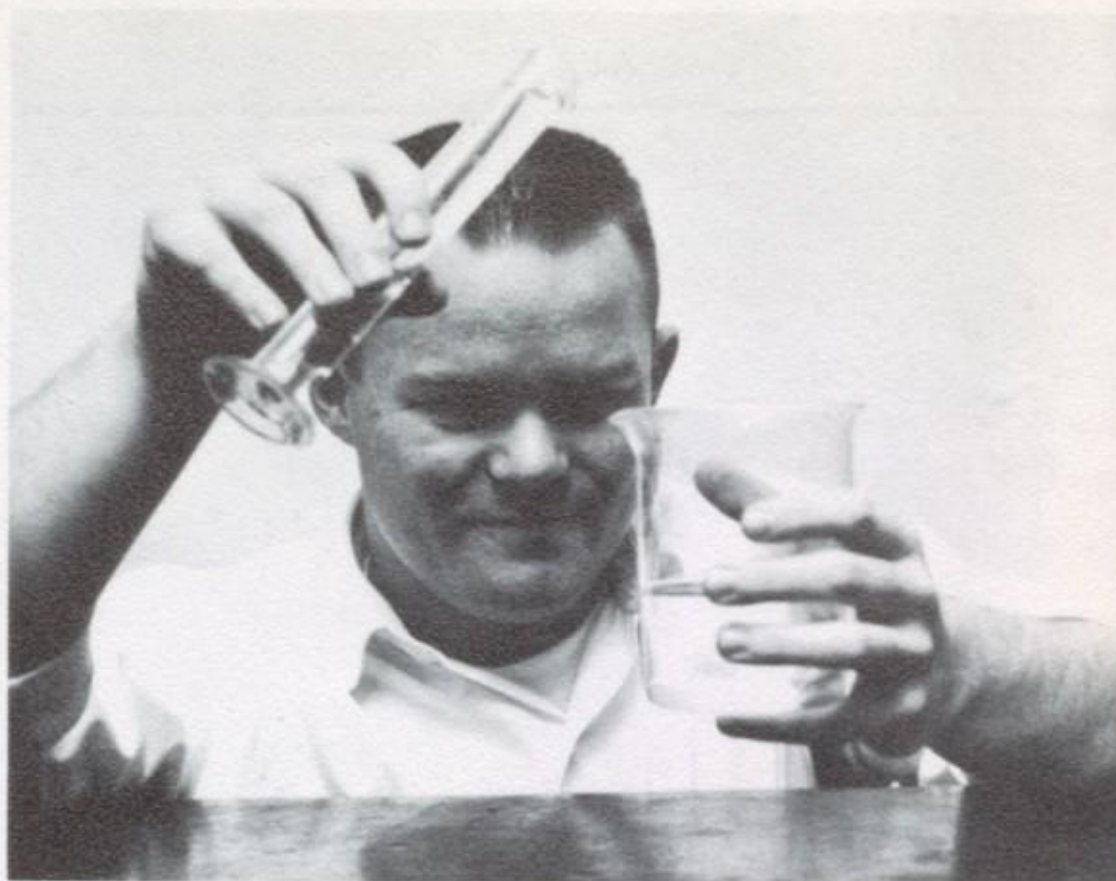

Karen Juel, Sharon Nicholas, Fran Skutt, Molly Eells, and Donna Rae Brown pin the hem of a dress modeled by Marie Fisher in Mrs. Kathryn Barber's Tailoring class.

Terry Norman, Karen Young, Sue West, and Sharon Reams learn to use business machines for future secretarial work.

Scope Widens

In a relatively new educational program, Roosevelt is challenging the individual student according to his ability. The History, Mathematics, Language Arts, Foreign Languages, and Science Departments are offering enriched courses for students with above-average ability in these fields. Students who have difficulty in Math and History may also take special classes. In the Math Department, Mr. James Corlett is using a new teaching aid: television. His students watch a lecture given by the head of the Math Department at Sealth High School during the first half of the class period; Mr. Corlett gives additional instruction in the remaining class time. In cooperation with the Physical Science Study Committee of the National Science Foundation, Mr. David Scott, *Science Department head*, and Mr. Lee Folsom are teaching a new physics course as part of a national experiment. The new course, consisting of films, lectures, experiments, and a special text, emphasizes an understanding of recent advances in physics more than a survey of the history of the subject.

Mr. James Corlett's fourth period Math Analysis class supplements its knowledge of the subject by watching lectures on television. *Back row*—Don Kinell, John Brennan. *Front row*—Jeff Steele, Ed Sengel, Corene Smith, Judy Burson, Mike Wienir.

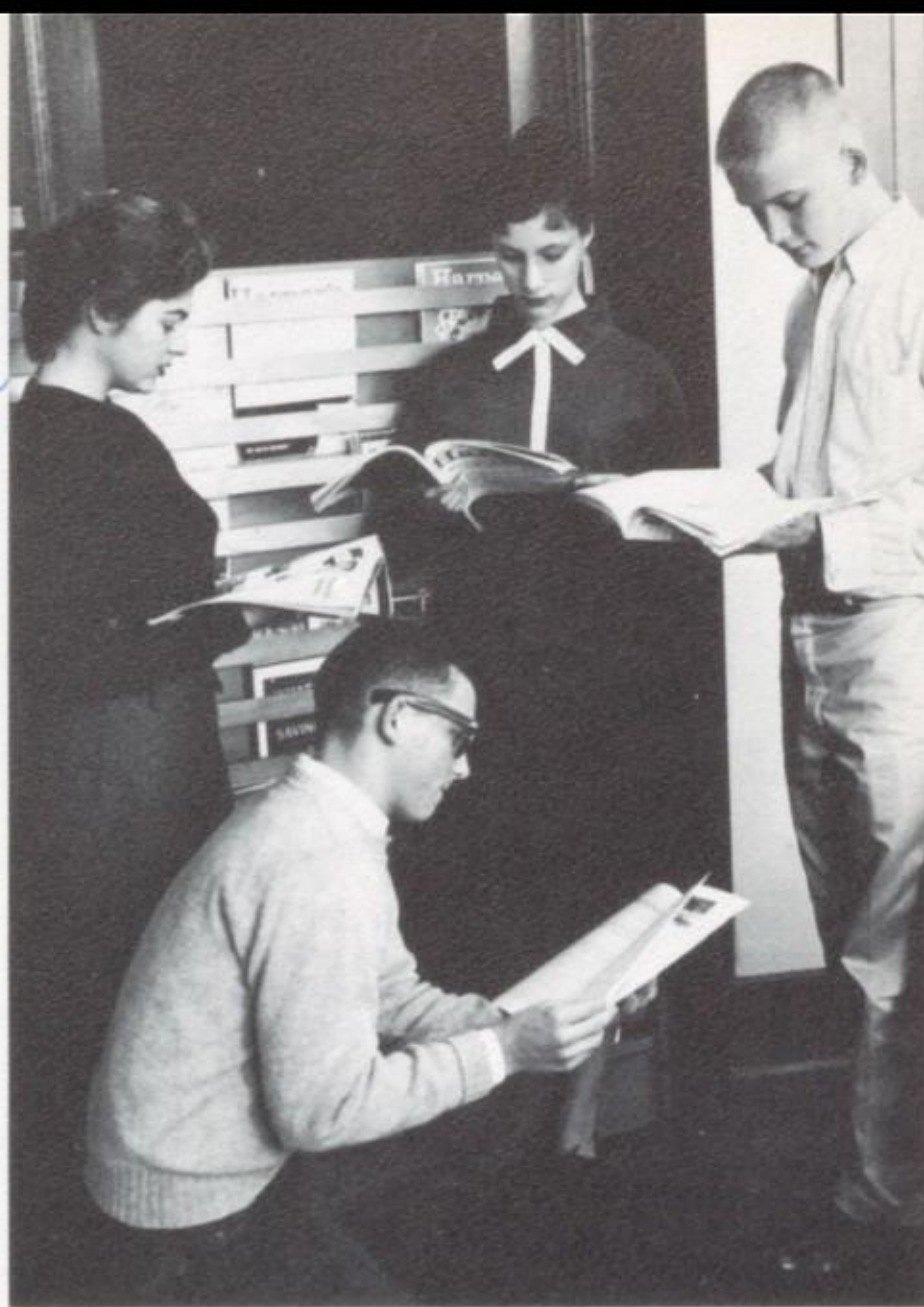

Dick Lilly, Lee Bracken, Bob McMahon, Robin Bracken, and Bob Uhles are working a large problem. Mr. Phillip Stucky, *department head*, instructs their mathematics class.

"Should capital punishment be abolished?" is the question discussed by Mr. Earl Prebezac's Contemporary Problems students. Julie Coryell, Nancy Greenway, Dennis Bloch, and Dorothy Clay participate in the controversy.

Roosevelt's Latin Club officers are meeting to discuss the Roman Banquet held in the spring: Bev Cross, *Lictor*; Jon Olson, *Lictor*; Mike Kelly, *Crule Aedile*; Julie Decker, *Crule Aedile*; George Ordal, *Praeter*; Janet Marshall, *Praeter*; Joyce Waak, *Serva*; Lee Williams, *Consul*; Meg Pearson, *Consul*; Sharlene Steele, *Serva*; Sharon Montgomery, *Scriba*; Diane Kingsbury, *Scriba*; John Moseley, *Quaestor*; Carol Germain, *Quaestor*; Rick Eberhardt, *Serva*.

Each German class sang carols and shared treats at the German Club Christmas Party on December 9.

Linguists Add Life

This year *Strenuous Life* is featuring the Foreign Languages Department headed by Mr. Phillip Baudin. Departments having had special pages in the past are Business Education and Drama.

Classes in French, Latin, Spanish, German, and Russian are now part of the curriculum. Russian is a comparatively new addition to the languages offered at Roosevelt; the Russian Club is an outgrowth of the class.

Foreign Language clubs help the students to understand the customs of the foreign land whose language they are studying. The Latin Club holds its annual Roman Banquet in the spring, under the direction of Miss Gail Ingle.

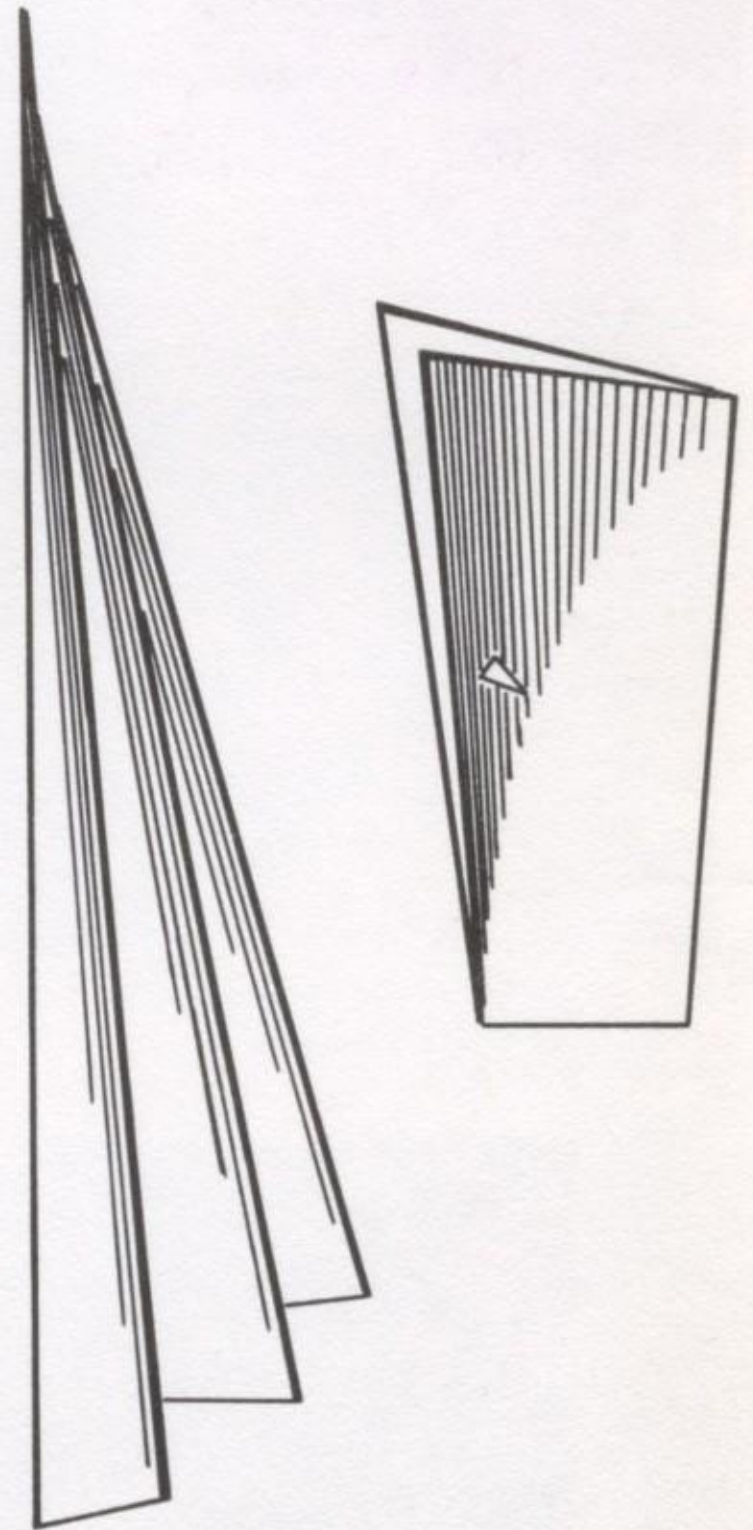

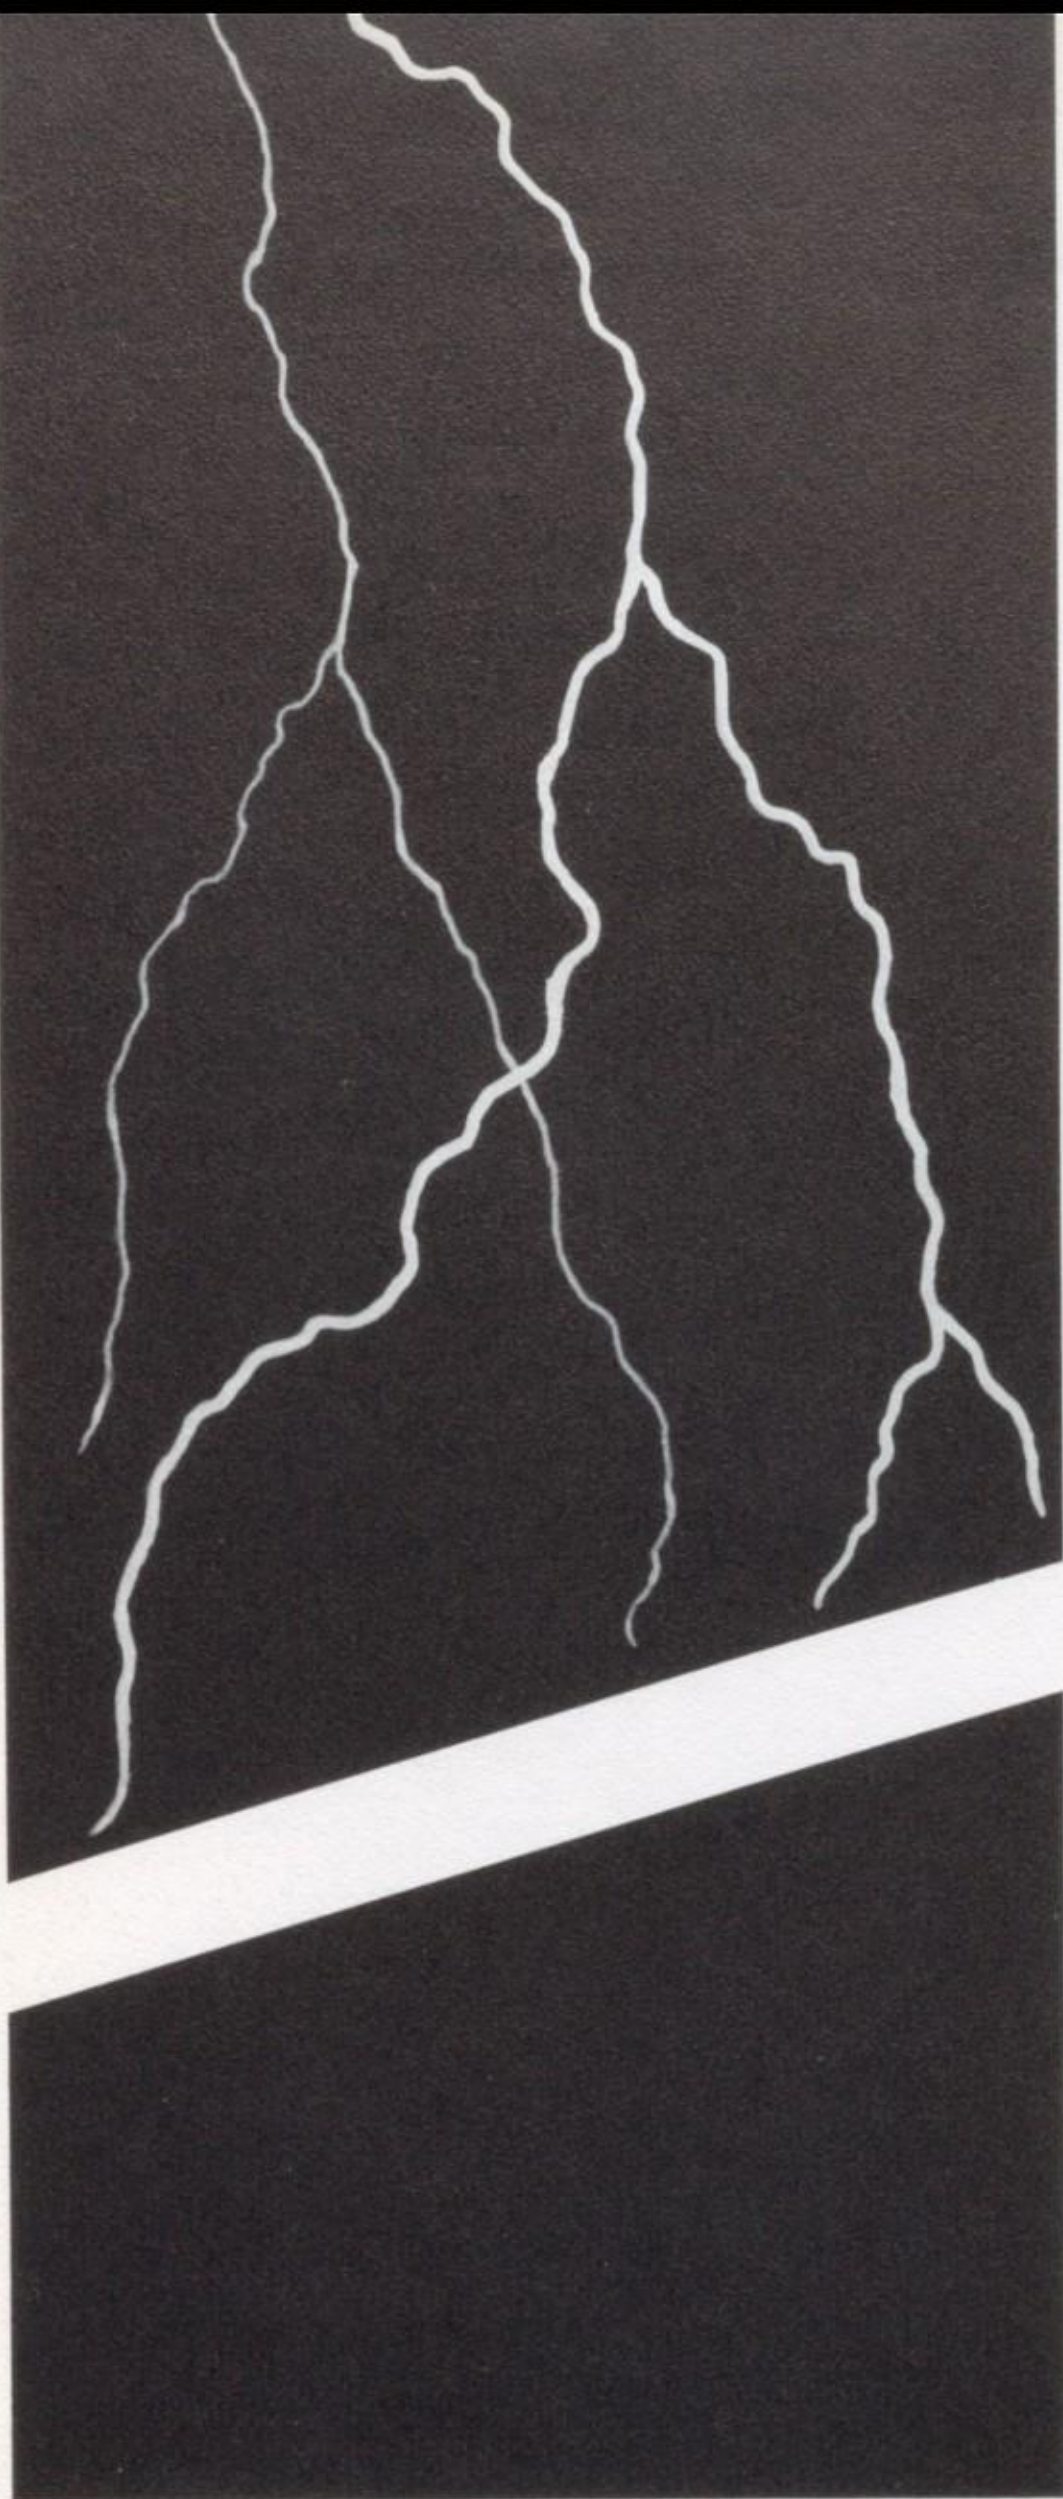

An innovation for the French Department was a French Breakfast held in the lunchroom on December 4.

In sponsoring the International Banquet "Ties Around the World," the French, Russian, German, and Spanish Departments worked together. Mrs. Marian Thomas was in charge of the banquet held on March 23, and 250 language students attended.

From the skies man seized a bolt of lightning. He was soon to become master of a new wonder—electricity.

Spotlights and stage lights enhance Roosevelt's theatrical productions by the dramatic impact of their ability to create moods.

Really though, a 2,000 word essay would not suffice a friend, a second consciousness, a mother father all the strength and guidance you have given me. I shall always remember the almost mystic self-identification of have with you and your ideals and even with your smile - perhaps I shall become someone or maybe even be content with being you -

True Love Triumphs

Fairies and mortals shared the spotlight in this year's Senior Play, "A Midsummer Night's Dream." Miss Shirley Robertson, exchange teacher from Shakespeare's homeland, directed the production aided by Betty Stefan, student director.

"The course of true love never did run smooth" was the theme of this lighthearted tale. A magic herb and the mistakes of the elf Puck combined to complicate thoroughly the love affairs of mortals and fairies alike. Humble workmen added laughs with their efforts to produce a "tragic" play for the Duke's wedding day.

Presented on January 29 and 30, the play featured unusual stage sets designed and operated by Mr. Ivar Strauss and his stage crew. The use of a revolving set with a woodland scene on one side and a court scene on the other, plus the construction of a weeping willow tree were two major accomplishments of the crew.

One of the outstanding dances in "King Neptune's Beach" was the "Sea Horses" with Hollywood scenery in the background.

All the dolls are waiting to have some fun as they listen to their master's footsteps faintly disappearing.

Mr. Ivar N. Strauss, as *director, producer, and Stage Force adviser*, supervises one of the rehearsals. With him is Mr. James King, *assistant stage director*.

Memories Prevail

"Good evening, folks. Tonight we would like to recall for you some memories of . . ."

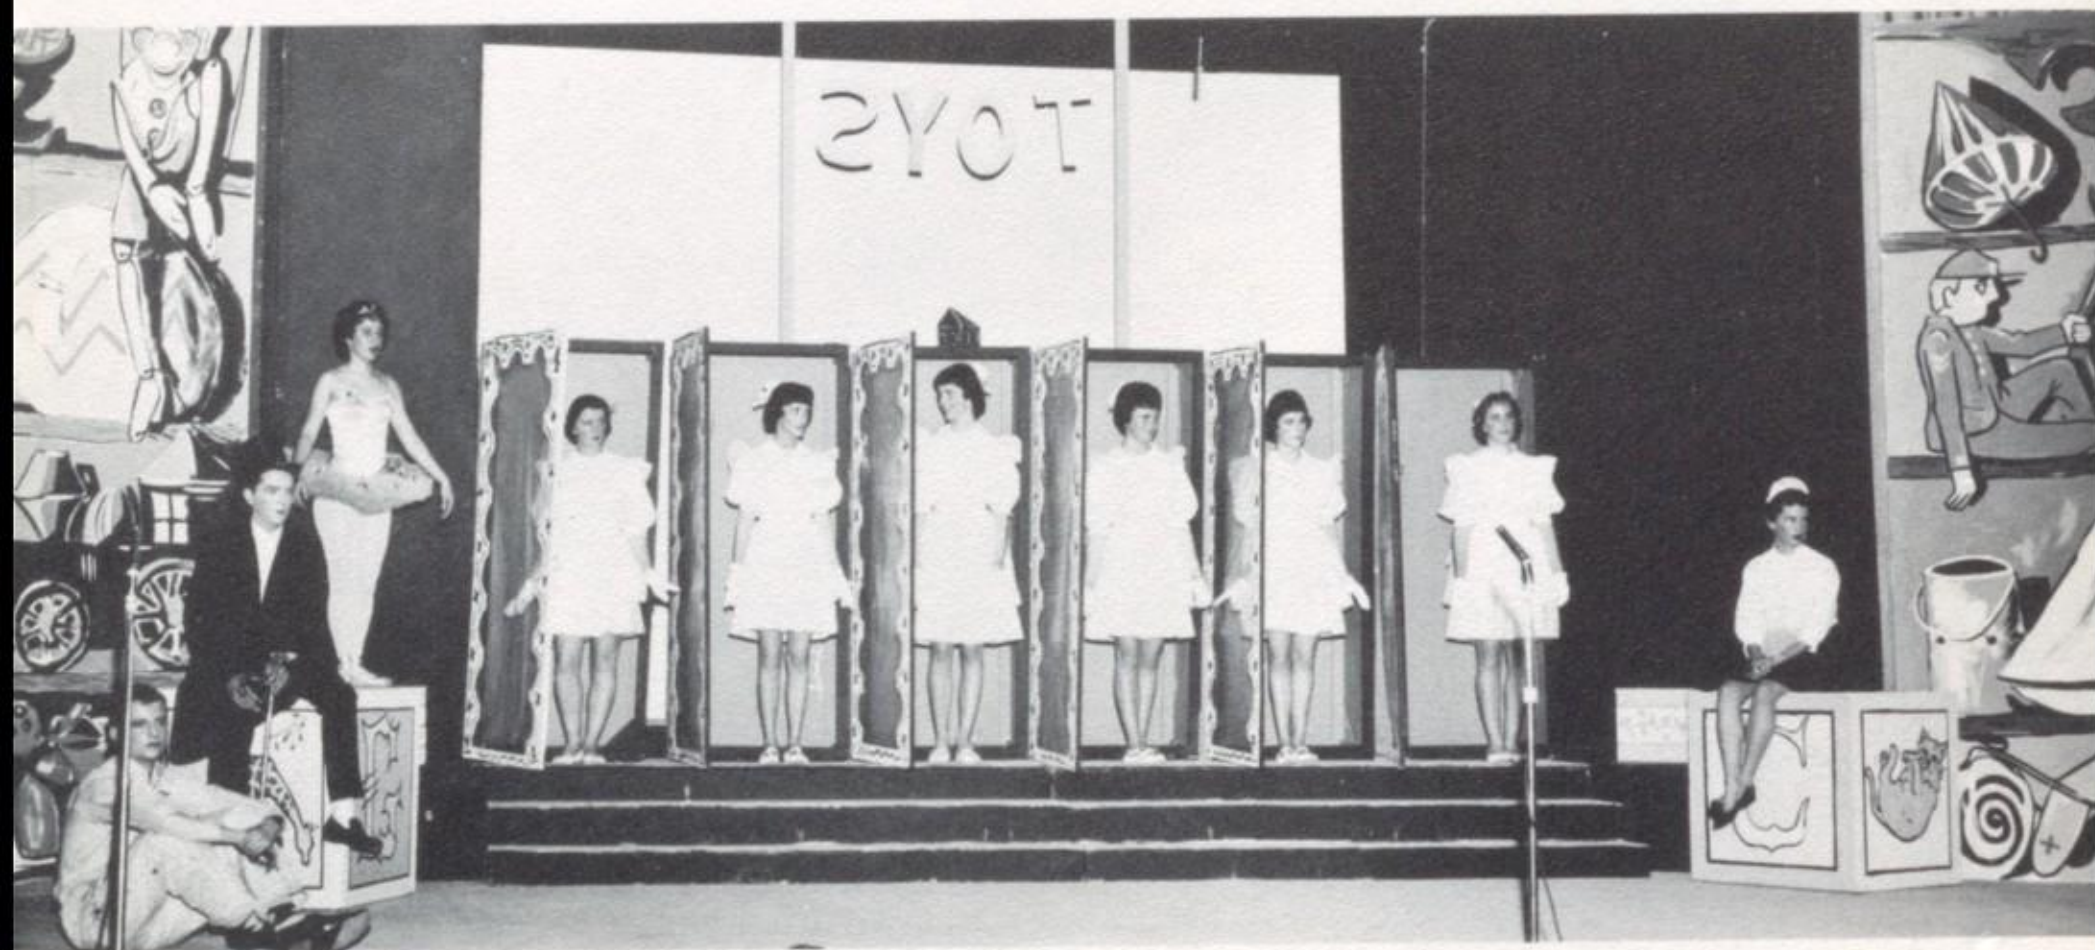

Each act of the 1960 "Rhythm and Riots Revue" represented a theme used in the last twenty years, such as "Showboat Memories,"

"Sabotage in Toyland," "Revolution in Mexico," "Flame's Ballroom," "King Neptune's Beach," and "Day to Night at the Club."

Representatives from the present student body as well as alumni were spotlighted in vignettes of past Revues. Over 150 persons contributed to make this event a true "Review of Revues." The result of weeks of scenery-making, script-writing, and rehearsing was presented to two audiences on March 11 and 12.

Some of the special techniques used this year were the use of alumni acts; a line of Senior boys dressed as dolls; a ripple machine for a water effect on the background; ultra violet lighting in the underwater scene; and a special background and curtain that was shipped from Hollywood especially for this production.

Sitting on a coral reef the Kady-Jan Trio sings "The Mermaids": Janet Sammons, Sandy Cook, and Kay Hamlin.

Music and Dance Committees adapt the dances and music of the acts in the Revue to fit the theme. *Back row*—Susan Battin, Naomi Dopps, Pam Leonard, Dick Roblee. *Front row*—Barbara Bondelid, Lynn Kaufman, Bob Bryan, Pat Walkup, Georgie Isaminger. (Missing): Kathy Pederson.

Student directors assist the adviser in co-ordinating the activities of the Revue committees: Marli Schenck, *assistant director*; Susie Mowat, *director*; Mr. Ivard Strauss, *adviser*.

Revue tryouts and rehearsals are co-ordinated by members of the Organization Committee. Each Continuity Committee member writes and directs an act to appear in the Revue: Nancy Greenway, Connie Lee, Candy Pearson, Sue Hurley, Robin Morgan, Jill Burg, Kathy Matau. (Missing): Susie Jennings, Amanda Kelley.

Revue Recalls Past

This year's Revue theme was retrospective of past Revue performances. Specialty acts by alumni who had appeared in previous Revues were featured in the twentieth annual Rhythm and Riots Revue produced by Mr. Ivard Strauss. Members of the Continuity Committee developed the script and directed the acts. The music was arranged by the Music Committee and the dances by the Dance Committee. The director, Susie Mowat, and the assistant director, Marli Schenck, were responsible for the production as a whole.

Costumes are made or rented by the Costume Committee. Keeping the Revue scrapbook up-to-date is a special function of the Publicity Committee. *Back row*—Donna Petry, Nancy Dodge, Robin Cameron, Jo VanderWel. *Front row*—Eleanor Milner, Judy Pistole, Janet Neese, Barb Carlson.

Composed of only ten girls, the Nonettes attain musical togetherness: Mary Dungan, *accompanist*; Iris Tatsumi, Diane Bensen, Jan Howe, Mary Pennell, Kathy Pedersen, Anne Bradley, Ginny Lee Holland, Connie Studebaker, Mardie Howell. (*Missing*): Judy Stone, Dianna Davies who were later selected to fill two open positions.

Songs Cheer

Nonettes and the Concert Choir present music from all areas of choral composition to the student body and to private organizations outside of school. The two main musical productions during the school year in which these groups appeared were the Christmas and Spring Music Festivals. The Concert Choir sang its Christmas repertoire on television and at the Olympic Hotel for the Central Lions Club.

Because the Nonettes are a small group of ten girls, they have had the opportunity to sing out of school more often than the choir. This group has performed for the Rural Superintendents' Convention, the United Good Neighbor Banquet, and the University American Legion Post.

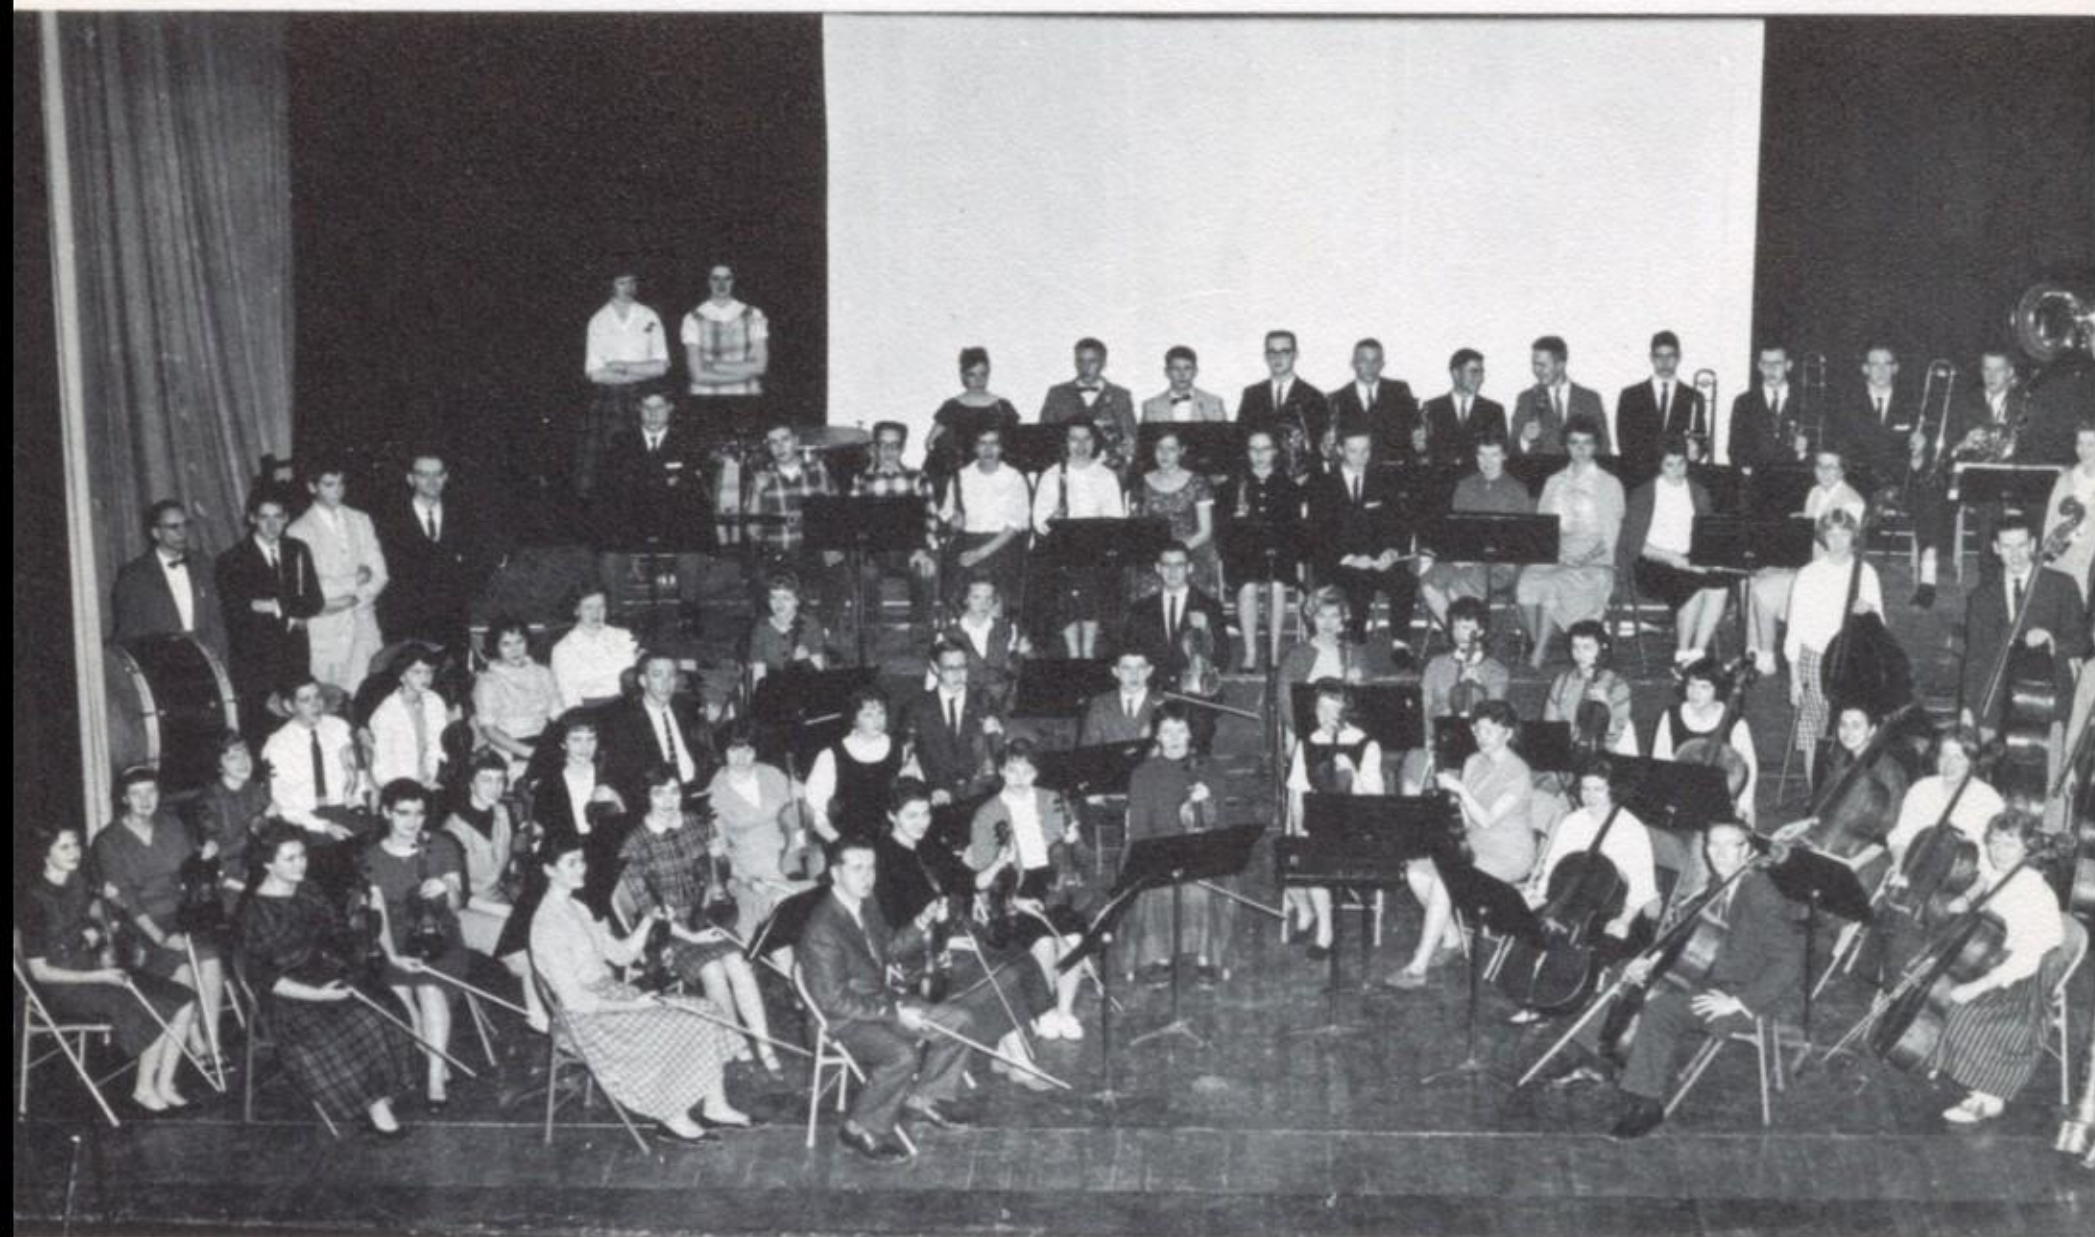

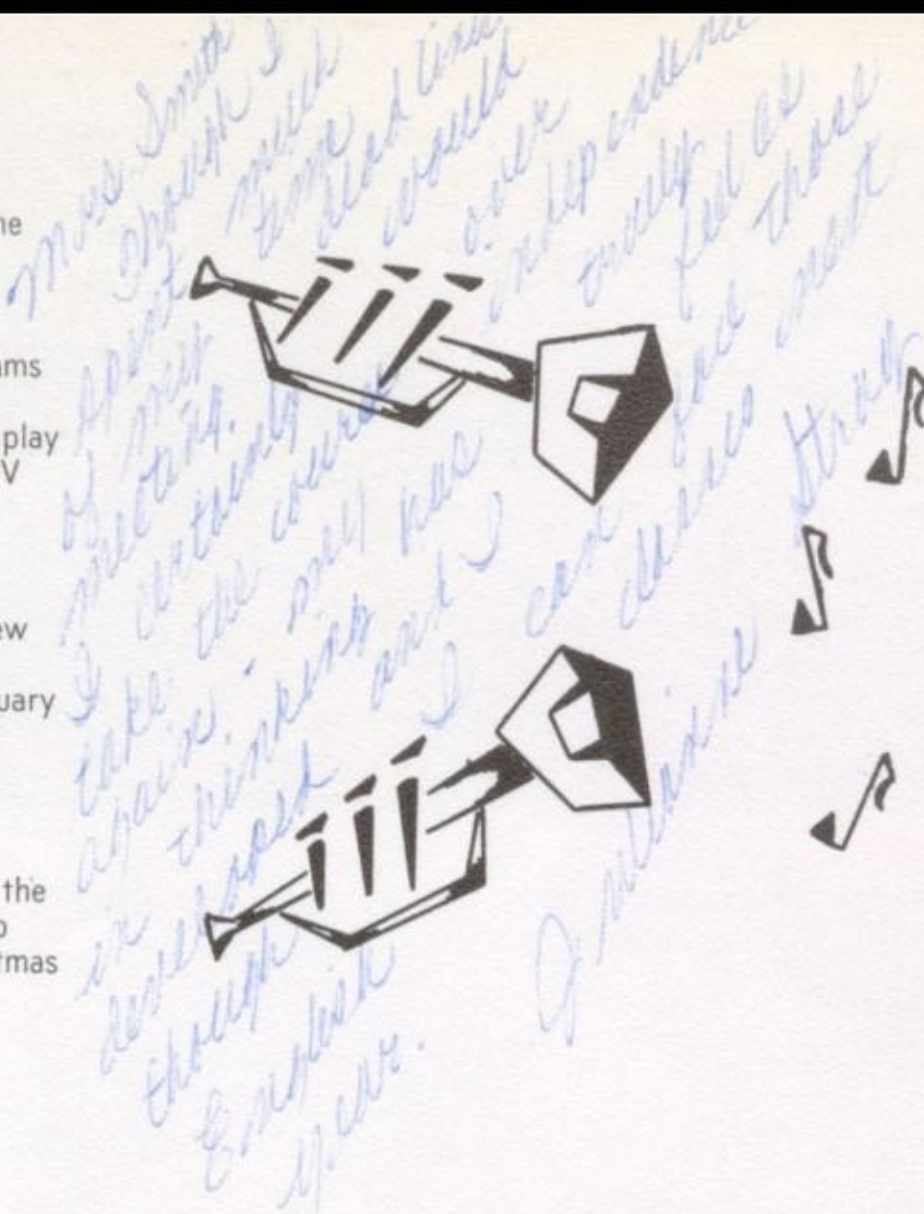

Wearing their newly purchased robes, the Concert Choir performs during an assembly. *Back row*—Jim Welch, Jeff Henning, Richard Foort, Tom Wood, Frank Hooper, *president*; Carl Hansen, Gary Wineholt, Joe Loutey, Chuck Sylvester, Gary Hittle, Doug McPherson, Bob Camp, Lee Lynch, Dick Humphreys, Bill Pellegrini, Cliff Baker. *Third row*—Lin McDole, Nedra Strand, Laura Schmidt, Carolyn Waldal, Janice Larson, Kay Palmer, Janis Steele, Kathy Pederson, Bobbi Andrew, Donna Maletta, Jane Handley, Virginia Holland, *accompanist*. *Second row*—Kathy Sorenson, Heidi Deller, Fern Potter, Jan Howe, Marya Aymes, Ann Bacon, Roberta Woodard, Anita Taylor, Janice Sullivan, Pat Handley, Betty Gilliam. *Front row*—Judy Underwood, Diane Bensen, *vice-president*; Judy Rhodes, Charlene Murphy, Arlene Abrahamson, Joyce Simmons, Susan Johnston, Connie Studebaker, Mary Hilt. *Directing*—Mr. David Humphrey. Roosevelt's Orchestra was the featured concert group at the State convention of Music Educators at Wenatchee, February 19. It has won very favorable attention in the community and state this year. Besides providing entertainment or background music for such school programs as the Christmas Concert, the Spring Festival of Music, and Commencement, the Orchestra had the opportunity to play its Christmas music before a television audience on KING-TV on December 20.

Bob Bryan, a Senior, had the honor to march with the Independent Order of Foresters' Robin Hood Band in the Tournament of Roses Parade in Pasadena, California, on New Year's Day. Fourteen Roosevelt musicians were chosen to perform with the all-state orchestra at Wenatchee on February 19: Cliff Baker, Barbara Bondelid, Vonnie Brodine, Carolyn Davids, Mary Dungan, Bill Grantham, Dick Humphreys, Lin McDole, Steve Newman, Dick Roblee, Julianne Stray, Ken Taylor, Judy Underwood, and Judie Wills.

Team spirit and half-time entertainment were provided by the Band at pep assemblies and football games. This group also marched in the Santa Claus Parade and played at the Christmas Concert, All-City Band Festival, Spring Festival of Music, and the Western Washington Band Contest.

Jazz and dance music is played by the Swing Band for school functions: *Back row*—Brehon McFarland, Jon Long, Bob Bryan. *Front row*—Steve Newman, Mary Dungan, Joe Pollard, Tim Feetham, Nick Ahlson, Ken Klees, Jim Peterson, Kim Feldman.

Writers Excel

This year's *Lab Writer*, published in the spring, was larger than in previous years. The student-publication seeks to be the center of creative writing and reading at Roosevelt.

The *Lab Writer* Editorial Board, selected from applicants in the fall, reads poems, essays, and short stories submitted by students, and selects the ones to be published in the *Lab Writer*. The board meets once a week with the adviser, Mrs. Elisabeth Edtmiller, to hear each entry read aloud. Developing writing talent is the main purpose of the Lab Writing class. Poems, essays, and plays written by Lab Writing students are submitted to current literary contests. Two top awards and one honorable mention were received this year by thirteen of these students in a contest sponsored by the Anti-Tuberculin League entitled "TB vs. TV."

Making the decisive choice of the entries to be printed, and organizing the *Lab Writer* are: Carol Edson, *art editor*; Eldon McNeese, *manuscript editor*; Carol Sammons, *editor-in-chief*; Mrs. Elisabeth Edtmiller, *adviser*; Carolyn Martin, *publicity manager*.

Among the members of the Lab Writing class which explores various kinds of writing are: *Back row*—Andy Aldrich, Donna Shallis, Margie Rhodes, Joe Irby. *Second row*—Raylene Gardner, Sue Fryer, Marjorie Scoll, Gary Johnson, Sam Matsen. *Front row*—Sally Swedine, Susan Powers, Arlene Amundsen, Sue DeArmand.

Thirteen members constituting the Editorial Board select entries to be published in the *Lab Writer*. *Back row*—Coty Neese, Anne McLeaish, Kris Danishek, Susan Johnston, Dave Hunter, Viv Kayes. *Front row*—Lou Ella Nixon, Juanita Davis, Heather MacDougall, Linda Hunnicutt, Meg Pearson. News Is Their Business

New organization marked the activities of the *Roosevelt News* this year. Instead of four co-editors, as in previous years, the *News* had an editor-in-chief. He was assisted by an associate editor and two managing editors. Preceding editors and Mr. Peter Rybock, *adviser*, chose the editors for each semester. Staff members belonged to the Journalism class.

Distribution of the *News* on alternate Fridays culminated two weeks of copy-writing for the staff and ad-selling for the ad staff. Spring semester, the staff also distributed the twenty-four page *Scholastic Roto* with the paper. An average eight-page edition consisted of news of school activities and functions, sports, student opinion, editorials, and sketches of outstanding students. Regular columns included "Penpoints on the News," "Lost in the Fog," and "Glundersprung."

February 19 and 20 the *News* staff attended the All-Coast Press Clinic at the University of Washington. Including twenty-one students, the Roosevelt delegation was one of the largest. Delegates heard Erle Stanley Gardner, guest speaker.

Roosevelt News was distributed sixth period: Dorothy Clay, *managing editor*; Frank Coyle, *editor-in-chief*; Viv Kayes, *managing editor*. (Missing): Tad Degenhardt, *associate editor*.

Spring *News* Staff inaugurated new styles in typography: *Back row*—Cindy Dack, Sally Greenawalt, Howard Johnson, Jim Kibble, Jim Jaquet, Dan Follette, Bert Dudley. *Middle row*—Judy Crosset, Teri Turbutt, Christine Jenner, Carol Inhelder, Linda Frankfort, Mary Corner, Brion Bloomberg, Wayne Evans, Fritz Field. *Front row*—Carol Keyser, Sandy Person, Pat McCorkle, Judy Stone, Curt Pearson, Greg Thompson. Staff Records Year

"Foreigner! Foreigner!" comes the yell when a fellow student or teacher, who is not a member of the *Strenuous Life* staff, walks into Room 213. Here, annual staffers draw layouts, write copy, and plan and supervise the taking of pictures.

Lights burn longer than usual some days and the smell of popcorn drifts out when someone is kind enough to donate the supplies. The teakettle boils and tea is brewed to keep the staffers alert, while the work is checked and rechecked to make sure no mistakes are made.

When the preparations for the present year's book are completed, the staff makes arrangements and deals with various firms in order that next year's book may be produced in a most efficient way. The students deal directly with businessmen and make the final recommendations when signing contracts and planning the actual content of the annual.

Every year a new light shines in the *Strenuous Life* as each new staff presents its own ideas through artwork, layout design, written material, and the theme of the *Strenuous Life*.

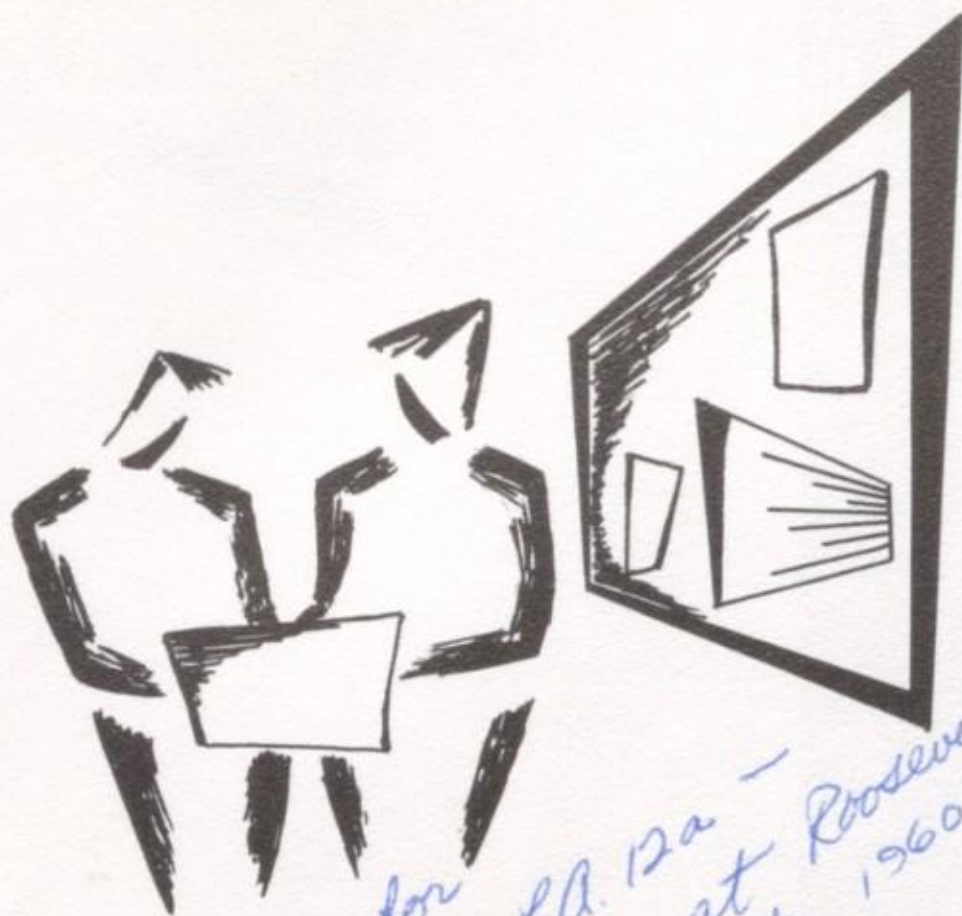

To Mrs. Smith, a teacher from whom I have learned a great deal in one short year. It is exceptionally hard for me to express myself at this time, but I would, in all sincerity, like to thank you for your help. I owe my selection to the "Strenuous Life" staff to you, Mr. H.D.

Varsity Sparks Teds

"Let's go! Let's go! Let's really go!" echo the Roosevelt stands as the Teddy offensive unit takes the ball and heads toward the goal line and a score. And score the Teddies did. Fifteen times they crossed the goal in winning three games, tying one, and losing four. Franklin, Sealth, and Queen Anne fell under the power of the Teddy offensive thrust. West Seattle, Garfield, Ballard, and Lincoln halted the Teddy attack and bowed them to defeat. Cleveland and Roosevelt played to a deadlock.

Starting the season with seven lettermen, Roosevelt was touted as a likely repeater for the City Championship. However, injuries, unlucky breaks, and a Garfield "ding dong" play hit the Teddies early and they never fully recovered. Despite the won-lost record (3-4-1) all of the games were close. Only five points separated the Teddies from winning three games.

At the end of the season when awards were presented, twenty-two players had earned their varsity letters, including five Juniors. Three Teddies, Dave Shafer, Russ Johnson, and Dick Enders, made the All-City selections in the downtown newspapers. Mike Storey received the Terry Doyle Inspirational Award. Russ Johnson was chosen All-State tackle by the Associated Press. He was the only Seattle player so honored.

Future Stars Shine

Roosevelt's Junior Varsity fought hard, but failed to gain championship recognition. The action seen during the 1959 season, however, has served to sharpen the abilities of a comparatively inexperienced unit, preparing them for rugged varsity competition next fall. Under the coaching of Don Harney, the Second Team rumbled to a season record of three-wins, four-losses.

This year the Junior Varsity had the distinction of being the first athletic team from Roosevelt to do battle with our new rival Ingraham High. The Teddies toppled them 19-0.

These boys gave strong support to make the varsity roll, both on the practice field and on the bench. It is from among the Junior Varsity players that the next year's varsity is formed; from this season's performance the prospects look promising.

Sophs Run to Win

"All Sophomore teams are remembered by something," explained Mr. Robert Lindh, Sophomore team coach. "I think that this year's team was characterized by its running ability and its hard blocking." He went on to say that although the team usually out-gained its opponents, it was hurt by numerous penalties. The won-lost record (4-3), although unimpressive, could not be considered the true measure of the team. Several times the team scored touchdowns that would have won the game, only to have them called back by penalties.

Mr. Jack McGee assisted in coaching the Sophomore team. Dave Palmer, Dan Stewart, Jim Keller, Dave Povart, and Barry Jensen performed behind the scenes as student managers.

Members of the Third Team are: *Left row—(back to front)—*Bob Dodson, Fred Gall, Jerry Bennett, Phil Nevaril, Cliff Harby, Jim Vickers, Chuck Ogrosky, Eric Marston, Gary Schulze, Carl Neu, Jim Claussen. *Middle row—*Mike Mause, (number 28); Dick Ambrose, (number 23); Jerry Gilbertson, (number 48); Don Yeo, Rob Norrie, Bill Hagen, Alan Krouse, Donn Anderson, John Poitras, Bill Edwards, Jeff Day, Bob Spence, Dan Stewart, *manager*. *Right row—*Harold Peterson, John Rogers, Bill Taylor, Laird Konker, Mike Nelson, John Erickson, Randy Ellerbrook, Don Samuelson, Dennis Snook, Jim Hopkins, Jim Keller, *manager*.

Team Steams to State

"This team had to prove itself," explained Coach John Fuller. "They did." From that "black" Tuesday at Sealth to the resounding twelve-point victory over Wilson for fifth place in the State Tournament, the Roosevelt varsity came a long way. The Seattle Metro League, comprised of North and South Divisions, was formed this year. Roosevelt competed in the North Division. In place of the Jamboree, each team played two pre-season games. January 5, "black" Tuesday, Roosevelt began the regular season losing 47-41 to Sealth. After the Sealth defeat, Roosevelt lost only to Ballard, the eventual league champion. Placing second in the North Division, Roosevelt earned the right to meet West Seattle for third place in the final league standings. Roosevelt won 59-42.

For the first time, the Seattle District was allowed three teams in the State Class "AA" Tournament. Competing as the third Seattle District entry, Roosevelt drew Spokane's number-one entry, Central Valley, in the opening round. In a close overtime game, the Teds lost 55-52. Roosevelt won the next three games by at least eight points, defeating Bothell, Kelso, and Wilson.

In regular season competition, the Roosevelt squad held its opponents to 609 points for a fourteen-game season, two points under the previous record held by Lincoln. In compiling a season record of 17-4, only three teams, Ballard, Lincoln, and Central Valley, were able to muster more than fifty points against the tall Teds.

Merv Sharp led Teddy scorers with a fourteen-point average per game, assisted by the ten-point averages of Jim Bradley and George Griffin. Sharp was given the Inspirational Award by his teammates. Rob Fahnestock led the team in assists and was given recognition on the All-State Second Team chosen from State Tournament players.

Pen Satoris goes up for two points which help him become the seventh leading scorer of the State Tournament. He was also number-two man in rebounds.

Captain George Griffin and Coaches John Fuller and Ben Snowden present the Fifth-Place State Tournament Trophy to Peg Hanley, Mr. Bullock, and the Student Body.

Reserves Roar

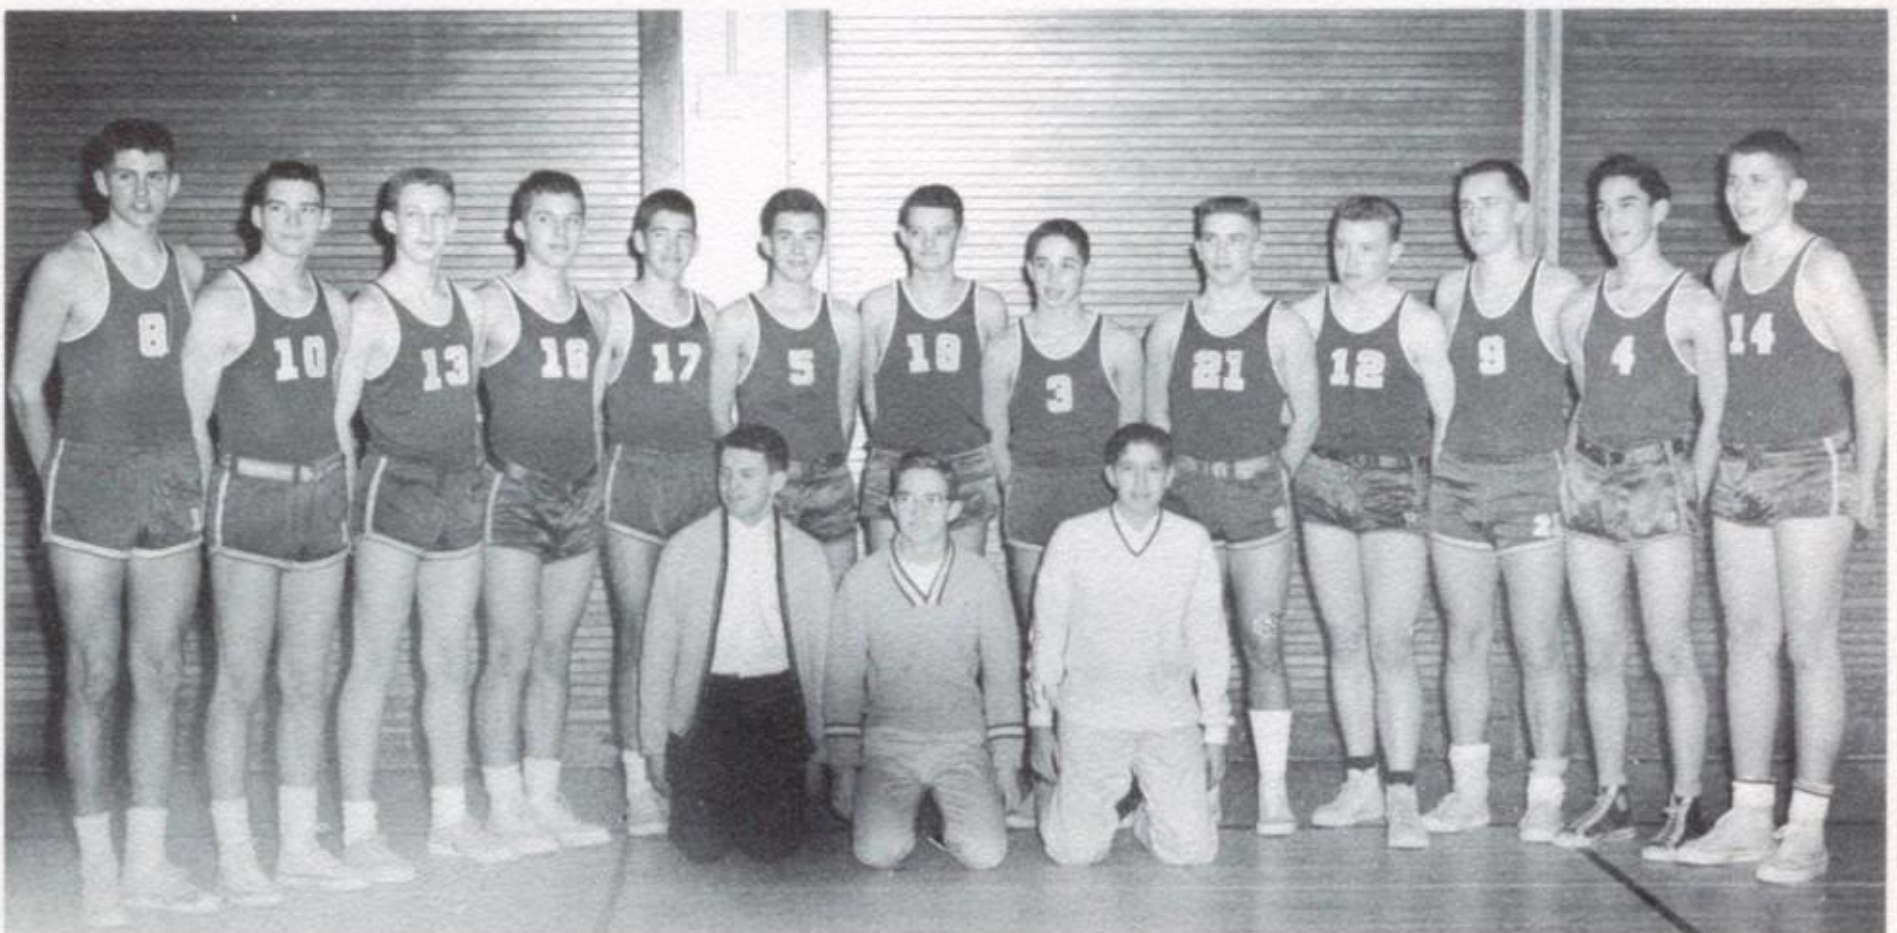

Basketball's finer skills are taught to the Sophomore and Junior boys with basketball potential on the Second and Third Teams. The Roosevelt reserves are handled by both coaches, Mr. John Fuller and Mr. Ben Snowden. The two squads drilled and practiced throughout the season, the Second Team boys pushing for a spot in the varsity line-up, the Third Team members for a spot in their starting line-up.

According to Mr. Fuller, the Second Team played as a unit even more than usual. They compiled a record of nine wins and three losses. Four of the Second Team players, Ernie Olson, Mike McCoy, Stew MacDonald, and Dan Nelson, earned their varsity letters. Gary Clanton and Jim Duppenthaler performed the duties of managers.

Under the tutelage of Mr. Snowden, in his first year as assistant basketball coach, the Third Team played to a season of four wins and eight losses. Steve Lockitch, Jim Keller, and John Frasier acted as Third Team managers.

Second Team members include: *Back row*—Ernie Olson, Mike McCoy, Pete Bigelow, Ron Gerde, Bill Blagg. *Middle row*—Tim Hagman, Bob Gidner, Stew McDonald, Dave Leaver, Dan Nelson. *Front row*—Gary Clanton, *manager*; Jim Duppenthaler, *manager*.

The Sophomores who will compose the future Varsity Team are: *Back row*—Jim Claussen, John Poitras, Jim Willers, Rick Garrity, Jim MacDonald, Ron Olsen, Carl Wyman, Ron Roberts, Rick Leithe, Phil Nevaril, Kim Feldman, Steve Miller, Norm Gregory. *Front row*—Steve Lockitch, *manager*; John Frasier, *manager*; and Jim Keller, *manager*. (*Missing*): Rick Eberhardt, Frank Satoris.

Spirit Shines

Yell and songleaders promote school spirit. They lead the enthusiasm in athletics and support all school activities. In the spring, they teach aspiring yell and songleaders; all Junior girls and Sophomore and Junior boys are qualified to turn out. The girls have eight lessons and learn two complete songs with motions. Semi-finals and finals are held in which school leaders and faculty advisers act as judges. The finals last about one and one-half hours climaxing when the old songleaders push the new ones out of a line, thrusting pom-poms into their hands. Yell leaders are chosen in almost the same way. The boys are taught for three weeks; however, semi-finalist judging is done by the present yell leaders. Both groups are chosen for pep, appearance, ability and originality.

Susie Mowat was selected as an All-State second team song leader in the "AA" High School Basketball Tournament held in the Hec Edmondson Pavilion. Song and yell leaders from all schools represented in the tournament attended a gathering at the University Methodist Church. This "Hi-Jinx" included dinner and square dancing which was started by Bob Schloredt.

Victor E. Bear helps cheer the Teds on to victory.

Yell leaders and songleaders: *Back row*—Bill Buttery, Jan Siks, Bob Buer, Nick Keyock, John Couch, Frank Hooper. *Front row*—Carol Lambert, Caron Fortney, Susan Rosene, Gail Odell, Susie Mowat, Barbie Taylor.

RHO Lettermen: *Back row—* Georgia Rothlaender, Karen Vaughn, Marsha Dodenhoeft. *Front row—* Margie Rhodes, Judie Wills, Elcena Steinmann, Kathy O'Neil, Dorothy Smith, Kay Carroll, Mrs. Betty McFarlane, *adviser.*

RHO Rolls On

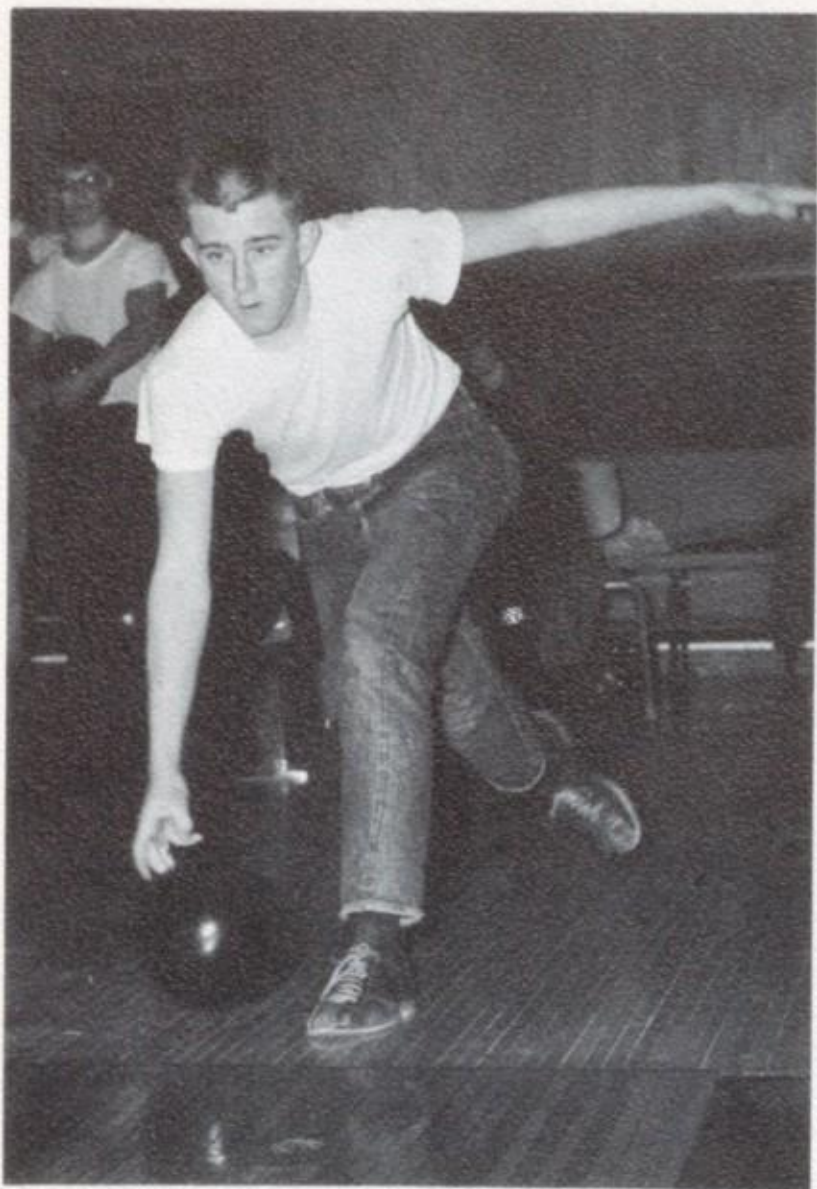

RHO was organized in 1922 by seven girls who earned letters for their participation in four major sports. In 1923 a constitution was adopted, and the next year the first initiation was held. "Ro" is the Greek letter for "R," which stands for Roosevelt. The emblem, with the R. H. and O. on top of one another, is located two and one-half inches from the top of the left sleeve of the RHO sweater. The initiation pledge is: "On my honor I will do my best: 1. To do my duty to the RHO Club of Roosevelt High School and to obey its laws, 2. To be willing to serve others all the time, 3. To keep myself physically fit, and 4. To do nothing to bring disgrace on my club." Some of the RHO activities are: the Mother-Daughter Tea, picnics, selling pom-poms, and playdays.

RHO members are swinging.

RHO officers: *Back row—* Pat Emminger, *vice-president*; Marsha Dodenhoeft, *treasurer.* *Front row—* Judie Wills, *historian*; Margaret Steinman, *secretary*; Elcena Steinman, *president.*

Striker John Thompson scores another ten for Teddyville.

Sports Build Teamwork

Intramural 1960 attempted to broaden the scope of sports at Roosevelt. Enthusiasm was apparent as more students were competing in football, basketball, and bowling than ever before. So many teams were entered in the basketball tourney that a single top team could not be chosen. There were three champs: Mason's, Krienke's and Fuller's rolls. Football fans saw Corlett's roll of 309 take home the permanent trophy for intramural football champs. Bowling has expanded to such an extent that several girls were among the top scorers. Boys' Club supported the intramural program and sponsored a spring track meet for those participating in the 100-mile Club.

These four bubble boppers emerged division champs after competition from a large turnout of pingpongers: Mike Rodgers, Dave Bell, Bob Huntley, Doug Kelly.

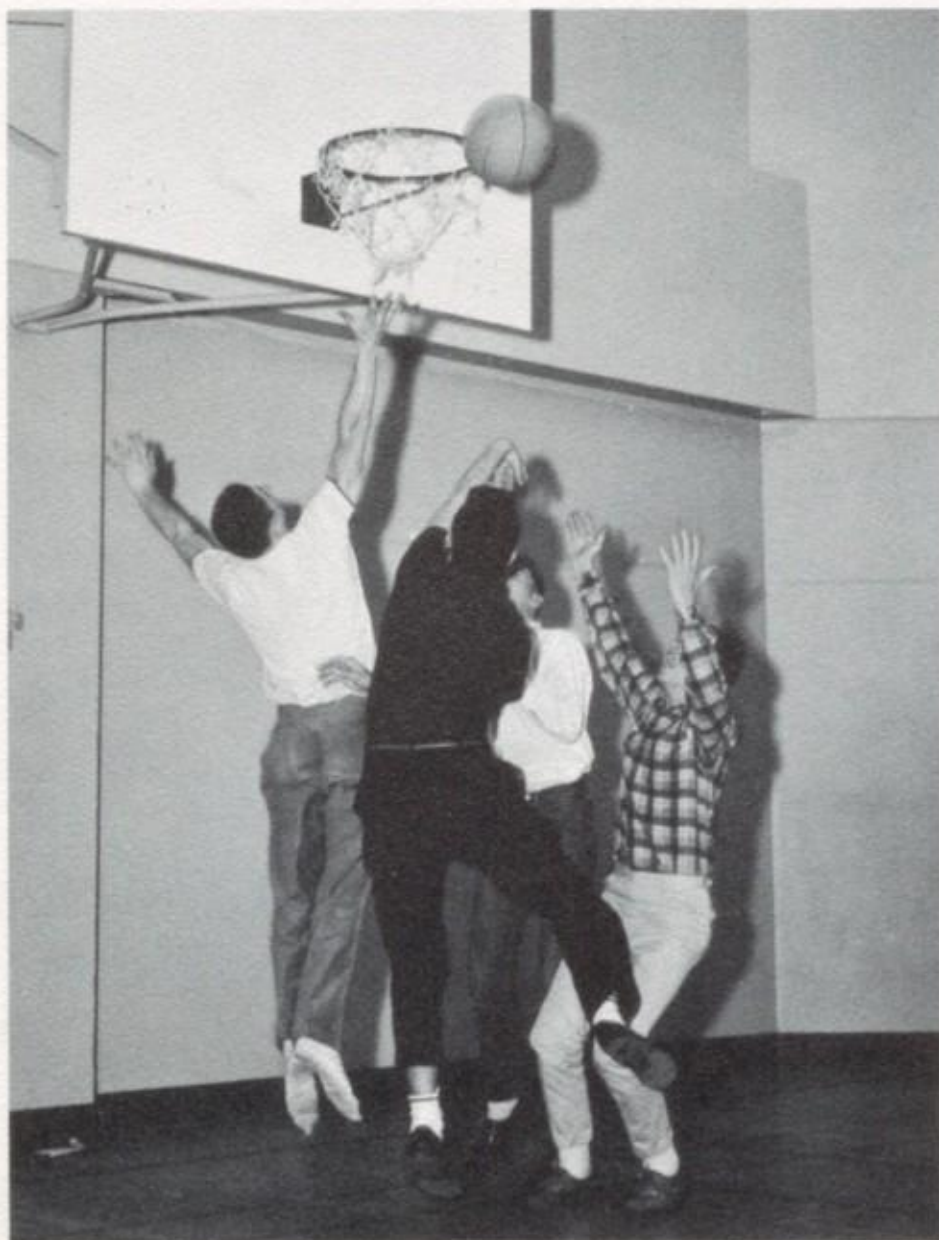

These eight members of Corlett's roll captured the Intramural Football Championship: Rick Rindahl, Steve Lake, Clif Munson, Dwight Allison, John Laughlin. Backs were Jim Carr and George Yonker.

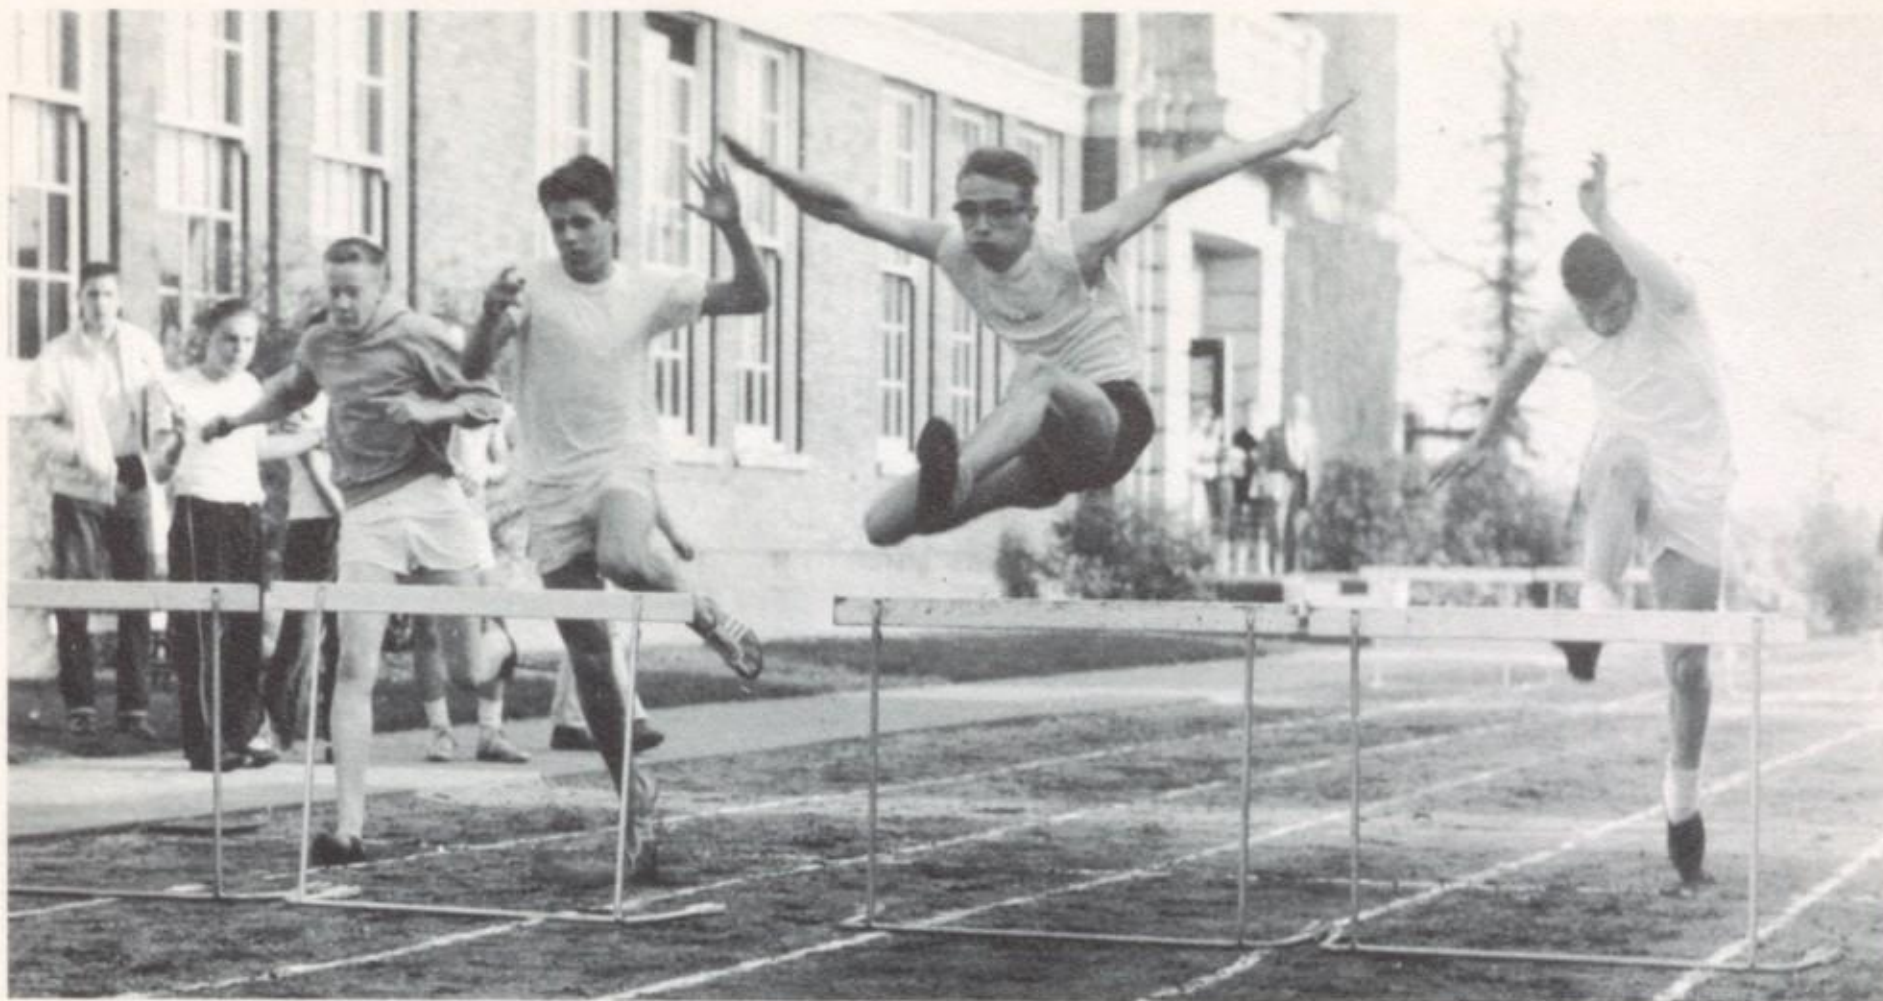

Fuller's, Krienke's, and Mason's rolls were first, second, and third floor champs respectively: *Back row*—Stan Schmid, Chuck Vinsonhaler, Jerry Rein, Dave Davies, Roger Gould, Doug Kelly, Bill Charleston, Ronney Mill, Dirk Smith. *Front row*—Steve Thronsen, Mike Bellman, Mike Johnson, Keith Harte, Gary Hallett. (*Missing*): Merv Sharp.

Enthusiasm typifies intramural spirit.

The pace was set for Teddy bowlers by these five highest scoring members of the Roosevelt leaguers: Doug Kelly, Cindy Marriott, Bob Forsyth, Larry Bell, Gary Ford.

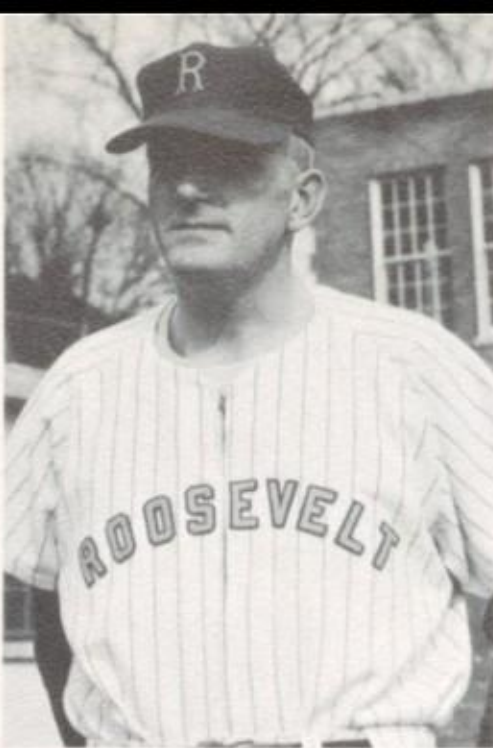

Nelson Collard flies eagle-like over a low hurdle while three opponents follow.

Thin-clads Flex

Boys who have not yet received their varsity letters in track are eligible for the Intramural Track Meet. This event gives the participants a chance to compete, and permits the coaches to find talented material. Approximately one hundred boys entered the thirteen-event meet, April 4. The competitors had an opportunity to win \$70 worth of medals and trophies. Nelson Collard was the only double winner, taking both the 75-yard high hurdles and the 110-yard low hurdles. His time in the high hurdles, ten seconds flat, was a new record. Dick Foxal pole-vaulted eleven feet, also setting a new record. Mrs. Ann Grodal's roll captured the over-all roll crown. Mr. Leonard Thrapp was the general chairman of the Track Meet. He was assisted by track lettermen, who scored and directed the individual events.

Phil Killien snaps the tape to win the 100-yard dash.

Varsity Coach Don Harney supervises a strenuous workout.

Second Team Coach Jack McGee—Wonder what he sees?

Ruffs Maintain Strength

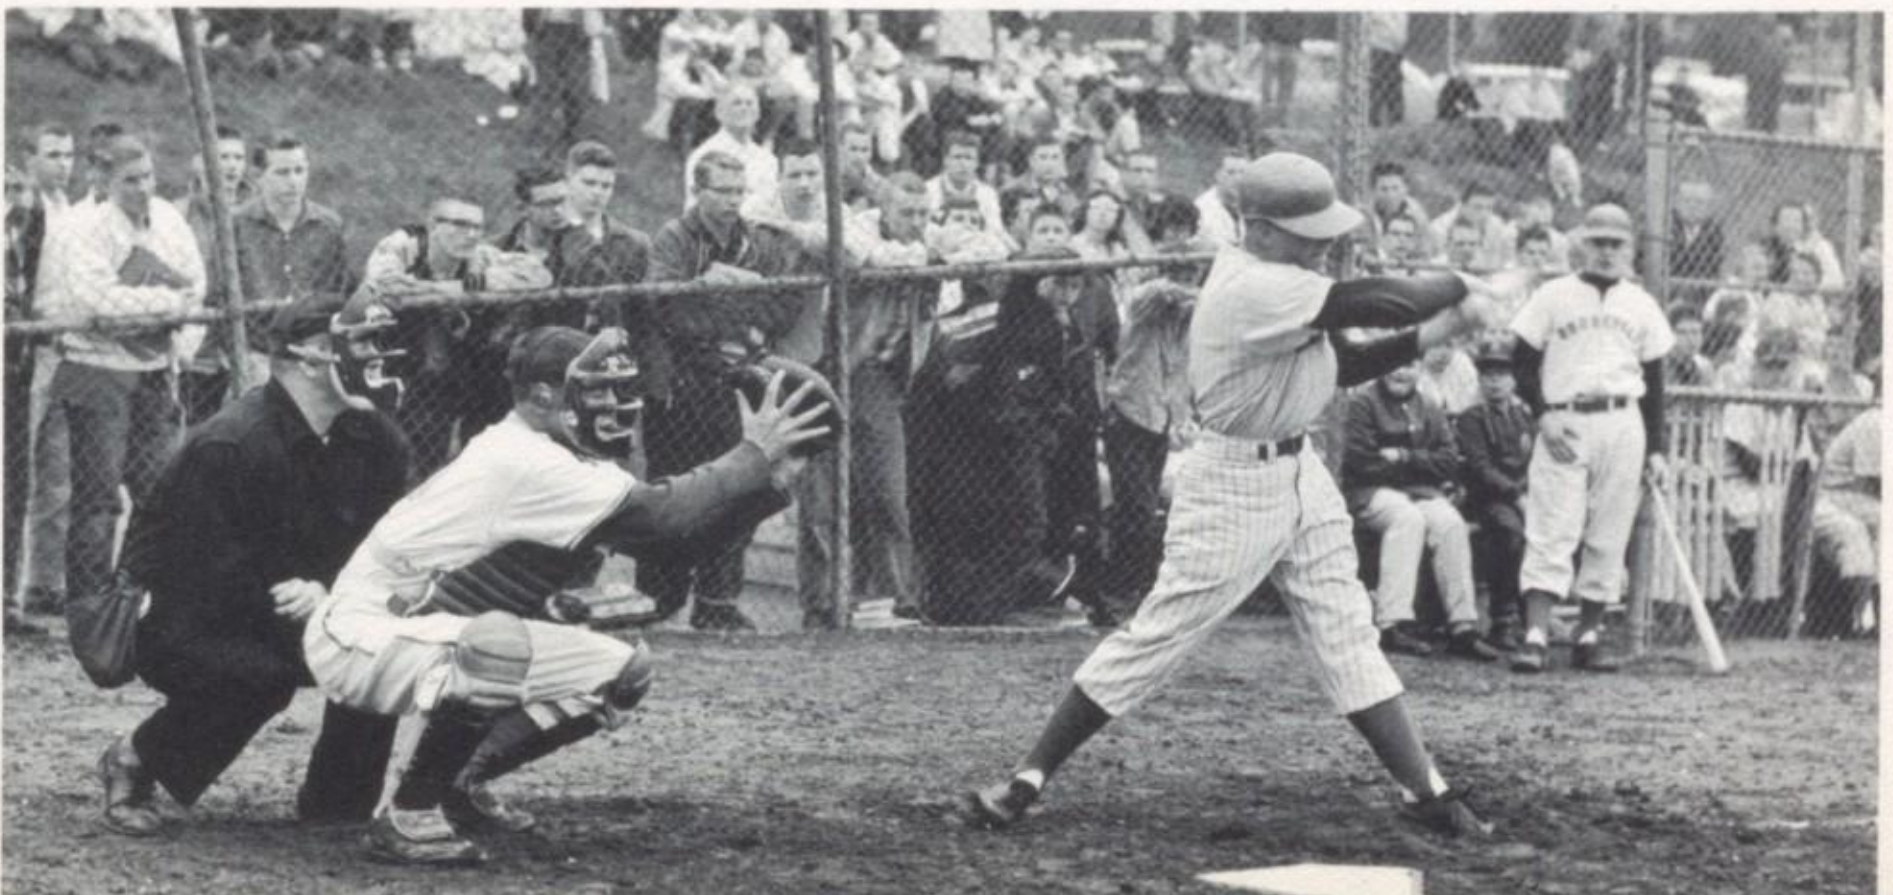

The Ted baseball squad for 1960 is training hard in order to retain its hold on the city league crown copped last year. Coach Don Harney has ten returning lettermen to strengthen his ranks of proven JV champs. With an undefeated pitching staff, the Ruffs may be the top team. Should the Teds perform as expected and take the Northern Division Crown, the play-off game with the Southern sector will be held in Sick's Seattle Stadium. Coach Harney will pace the Northern Division in eight league contests and three exhibition games.

Next year's team in the making, our second squad, is still unproved. Under the coaching of Jack McGee, another championship squad is expected.

Batsmen Show Skill

These six men hold the key to pitching success for Roosevelt's baseball team: *Back to front*—Phil Ingersoll, Jim West, Stew McDonald, Keith Pitts, Bob Stephens, and Bill Blagg.

The infield is held in control by: *Back row*—Steve Yarno, Frank Richardson, Al Richards, Bob Gidner. *Middle row*—Jim Jaquet, Ben Baker, Ron Nicholson, Greg Thompson. *Front row*—Art Ellis, Bob Shannon, manager; Jim Harper.

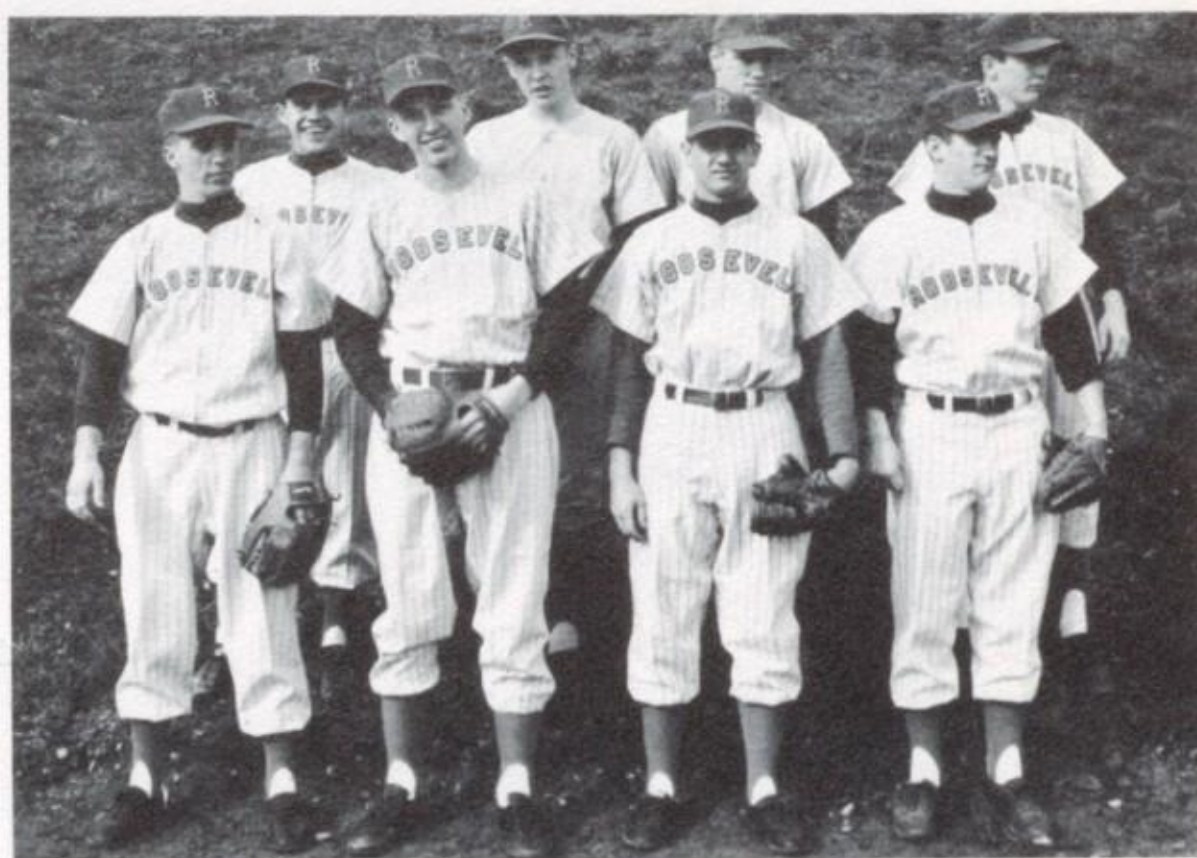

A mighty swing means a possible hit for Art Ellis.

Ben Baker sprints for first as Coach Don Harney shouts instructions.

John Gregory, Dick Enders, Bob Cole, Doug Graham, Kent Bean, Mike Cruver, Jim Palin, and Gary Pillar constitute the out-field.

Second team baseball members: *Standing*—Rick Leithe, Gary Roaf, Fred Gall, Gary Hallett, Ken Oliver, Vern Olafson, Skip Tillman, Jim Claussen, Don Anderson, George Mitchener, Rick Foley, Jerry Riley, Larry Swan, Eric Marsten, Duane Yarno, George Olsen, Bob Lake, Ron Olsen, Leonard Millet. *Kneeling*—Jim Keller, Ron Martin, Don Hockett, Jim Vickers, Lang Taylor, Bob Huntler, Lawrence Harris, Howard Behar.

Teddies Swing True

Because the Roosevelt Golf Team has six of the top ten players returning from the 1959 championship team, the Teds are expected to finish rather high this year. It is possible that they will repeat as champions. Mr. John Rushing, coach of the team, has said that this year's squad is one of the best in recent years.

Three of last year's players received All-City recognition. Tom Storey, top man on the 1959 team, took the number-three position of the All-City team. Ron Hoetmer captured the All-City fifth spot. Mike Reasor, who was number five on last year's squad, placed eighth. These three players will be backed by other lettermen and a new crop of Juniors and Sophomores.

Because of an early *Strenuous Life* deadline, the record of the golf team was not available.

Season Looks Bright

For sixteen consecutive years the Roosevelt tennis team has finished first, second, or third. This year's team is expected to be the best in the past four years. Roosevelt should win the North Division title and play Garfield for the City Championship at the end of the season. Brion Bloomberg, Dave Leaver, and Jim Aikins are three of the best high school tennis players in the city according to Coach Mel Dranga.

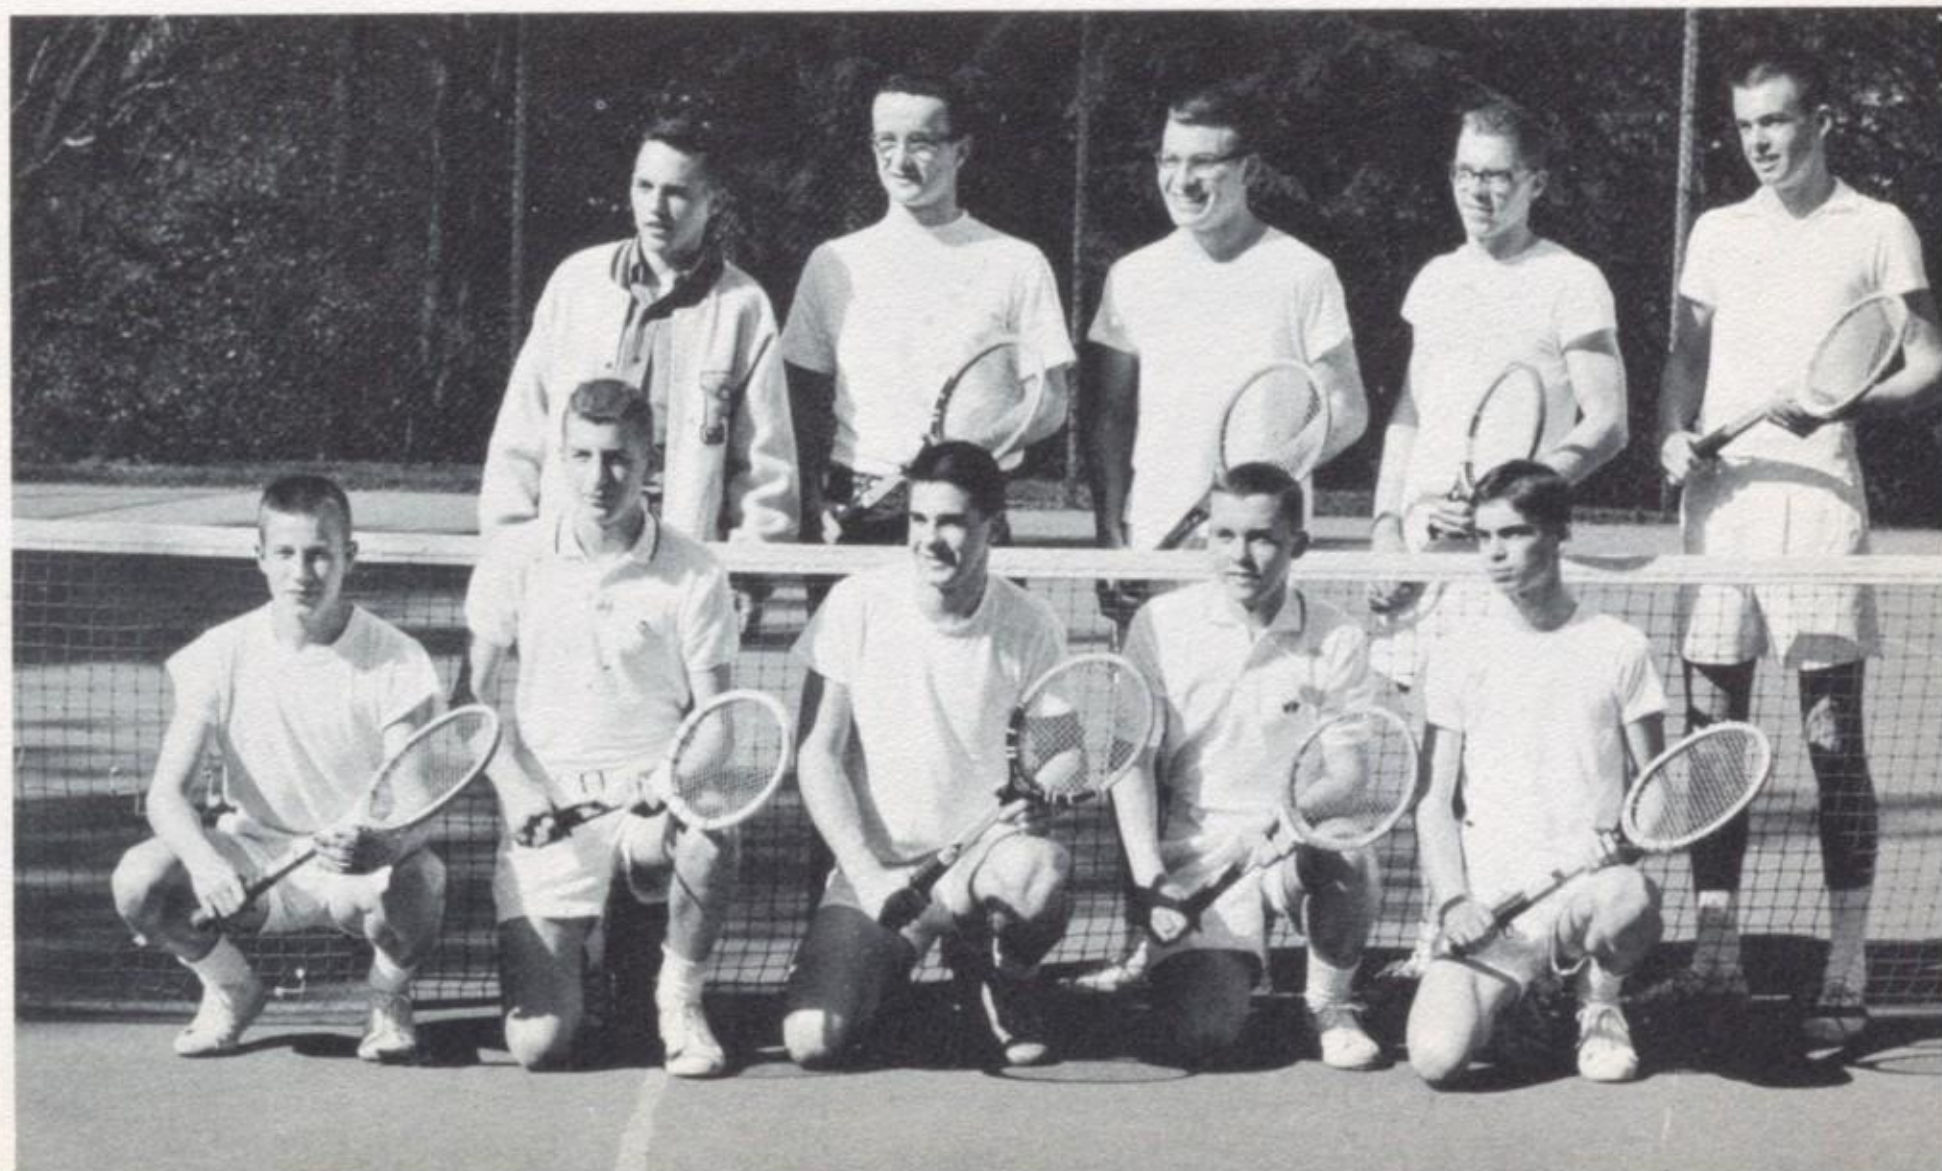

They are returning lettermen from last year's team. Roosevelt has beaten Lincoln every year for the past twenty-one years and is expected to do it again. In a practice match with Seattle University's varsity tennis team, Roosevelt won 6-3. The Teddies won four out of six in singles and two out of three matches in doubles.

Dear Mrs. Smith
I have really appreciated your efforts to teach. You have been an inspiration to me whenever I see you working. I have learned so much this year. The work was good for me and after being in here I have decided that I have been rather lazy.

Bob Spence

Precision Pays

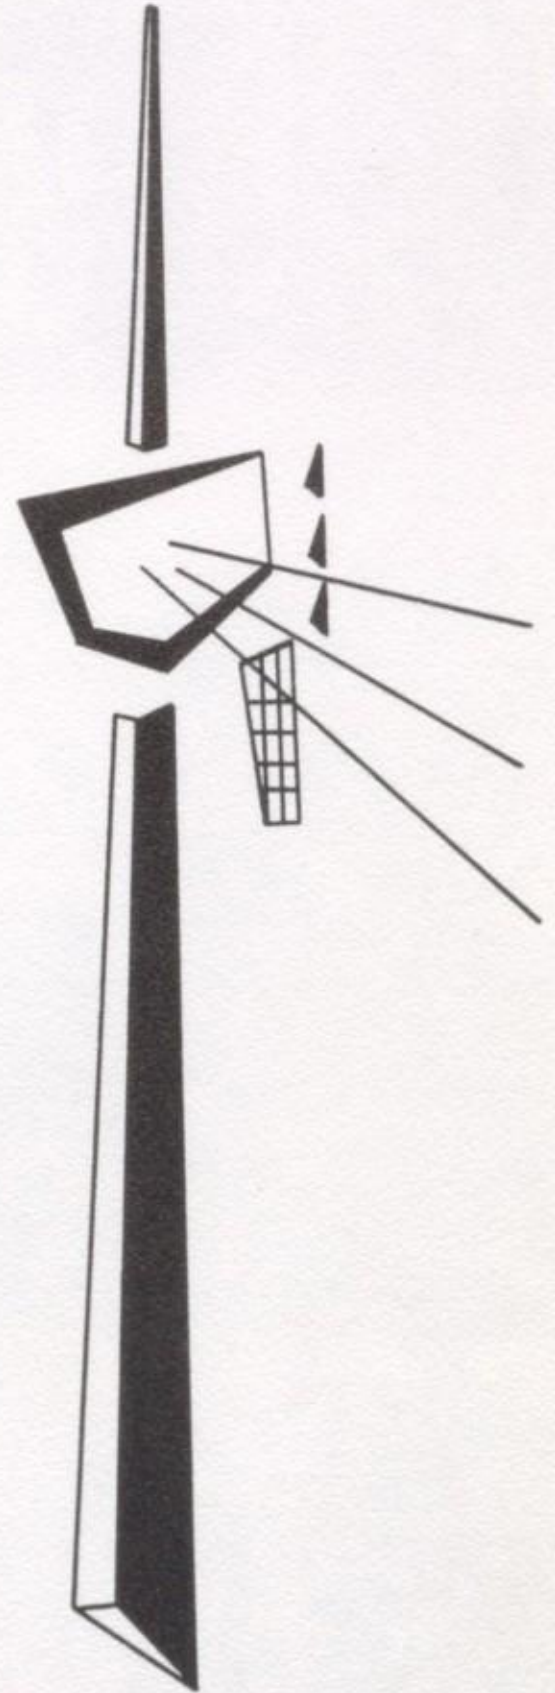

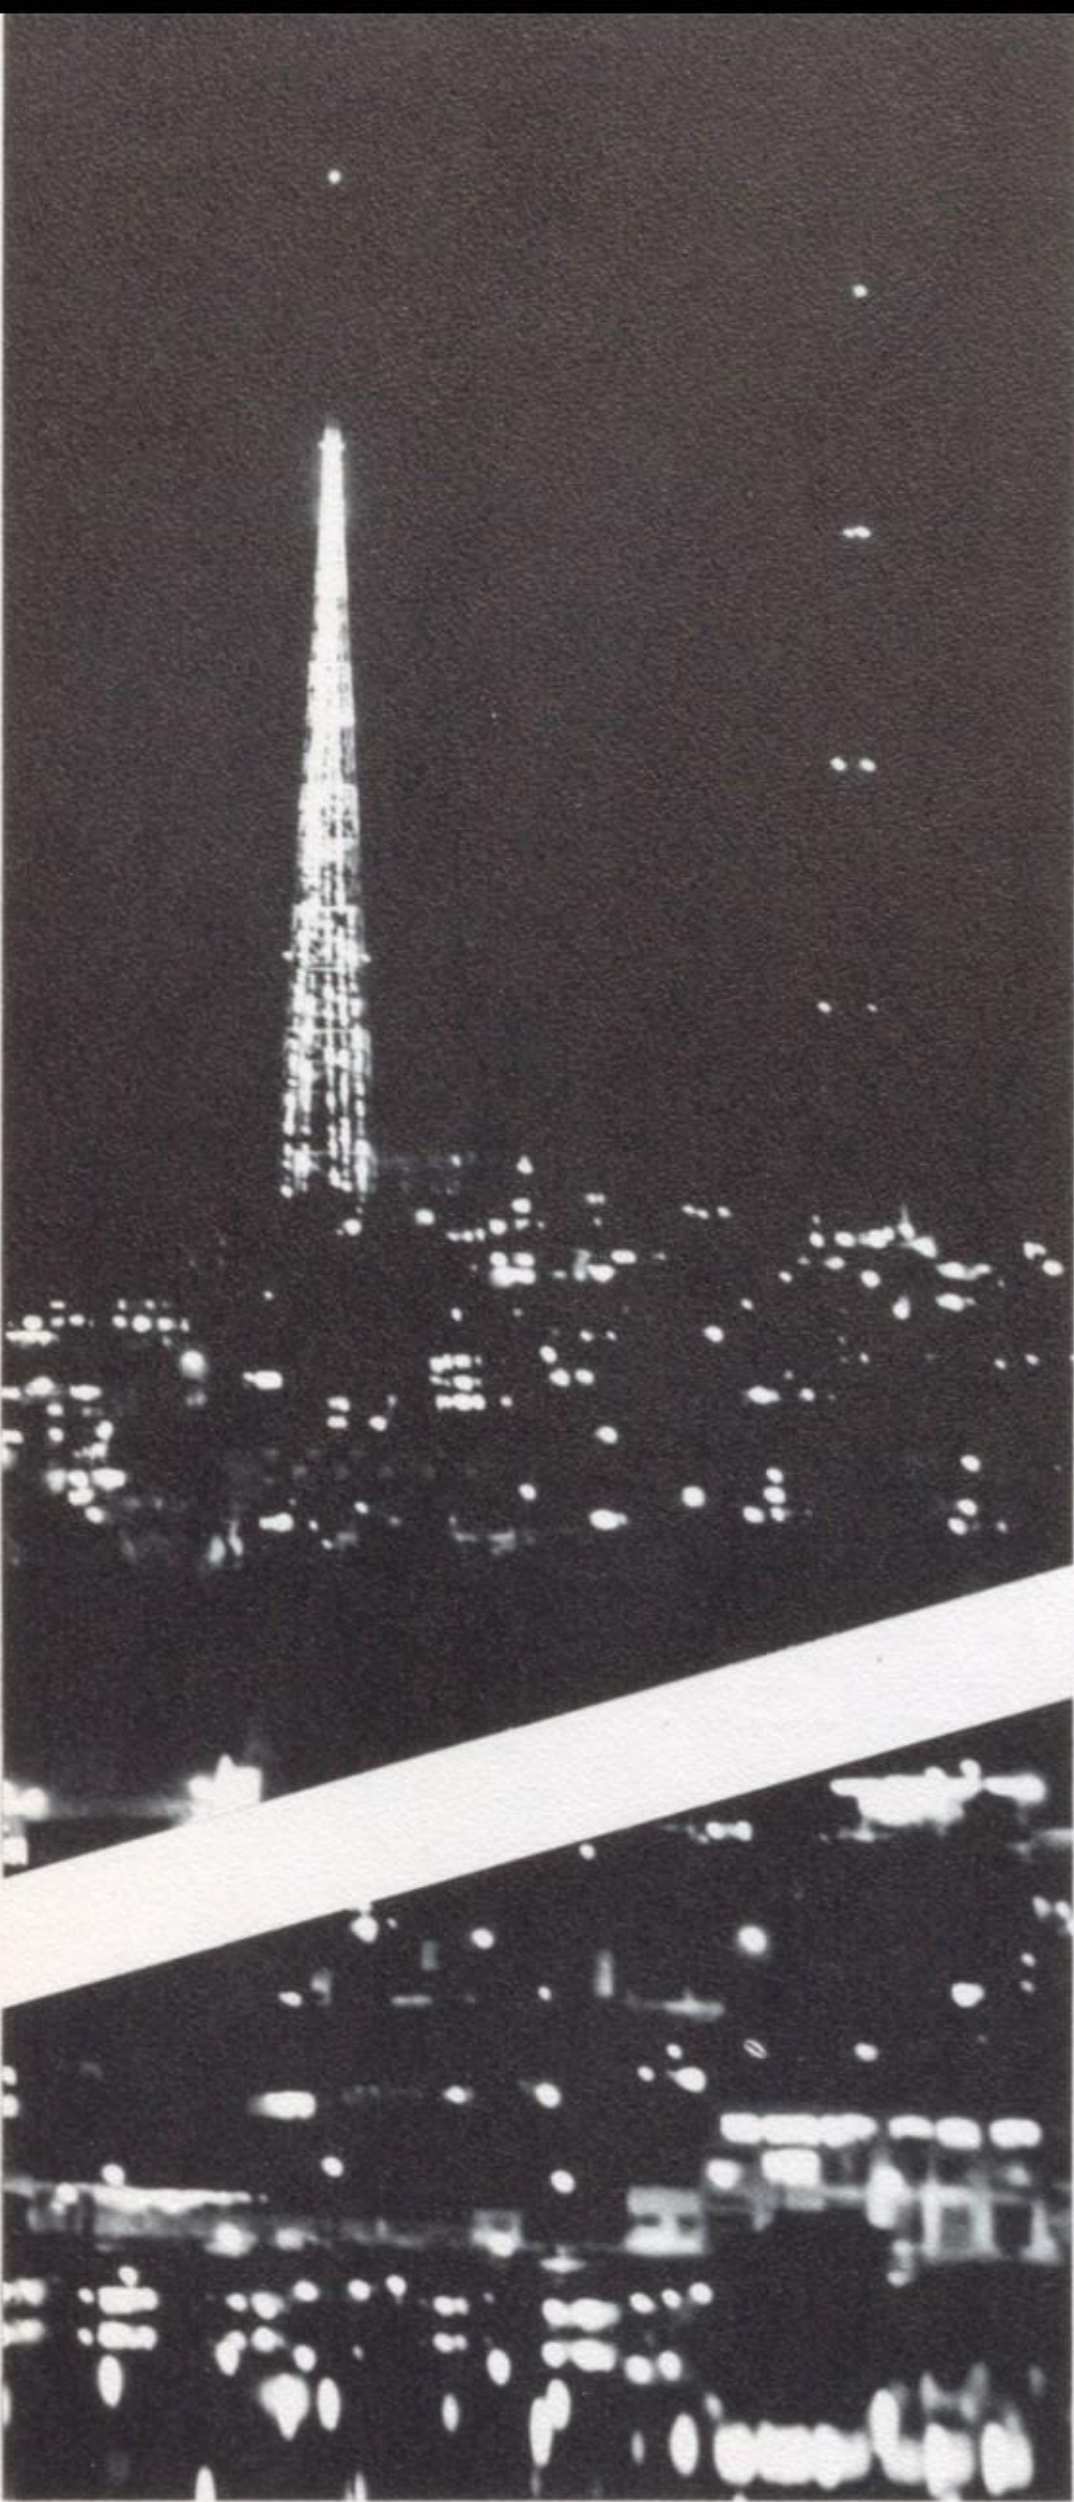

This year's track squad is strong in numbers but somewhat untried in competition. With only one returning placer in the previous All-City Meet, Brandy Nielsen, who took third in the broad jump, the Teds will need real desire and hard work to get into the select circle and improve on their last year's third-place finish behind Franklin and Garfield. The returning lettermen who will carry much of the load are John Doces in the hurdles; Dan Nelson and Marc Forgey in the 880; Tim Hagman and Jim Hogue in the pole vault; Jack Mathews in the high jump; Brandy Nielsen in the broad jump, and Brian Pearson and Curt Pearson in the mile distance. The return of Jim Hoffmann in the shot could bring in needed points.

With an enthusiastic group of Sophomores and a number of fine second-team prospects, a successful season should develop. The goal of the team is to follow Willard Grabill and Howard Strickler to the state meet where they both placed last spring.

"Sail On, Seniors"

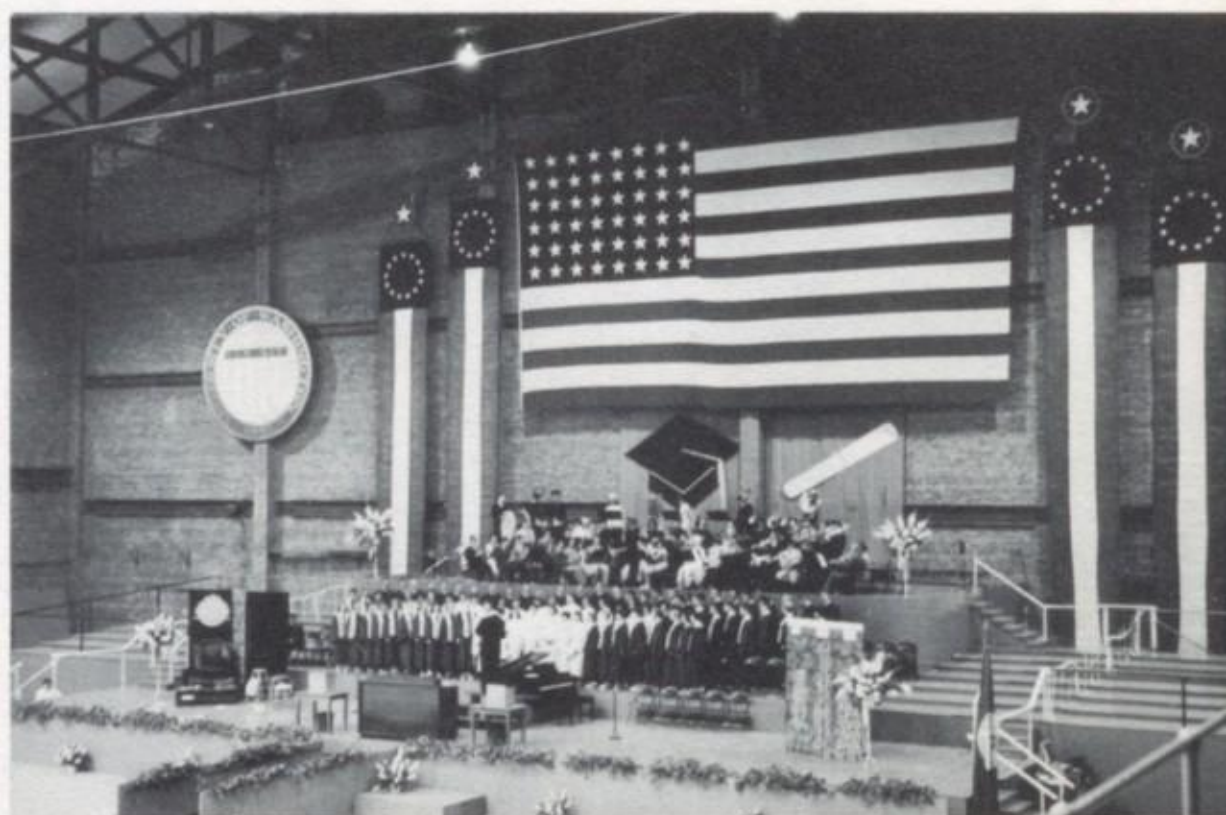

Last summer the Navigators of the Senior class, led by the Captain, John Hagman, met to chart the course for the coming year. Captain John and his Navigators chose "Sail On, Seniors" as the theme for the year, and began their voyage by selecting a crew. The crew was then divided into fourteen committees, each serving to help keep the ship on its course.

The first order from the Captain was to buy a Senior pin. After this order was complied with, the crew attended the Junior-Senior Party, "Alaskan Aloha," which featured parkas and leis. In January, crew members purchased graduation cards and announcements.

Members of the crew sponsored a pencil drive in which they sold 1,000 pencils. The crew decided to use the profits from the drive for the purchase of a Senior gift. Periodically during the year, copies of *Senior Secrets*, the messages from the Captain to the sailors, were issued to all members of the crew.

In April the crew sponsored a Junior-Senior Dance, and later, a P-TA Dance. Entertainment was provided for the crew at the year-end Senior Assembly. The sailors docked after their voyage on June 9 at the commencement ceremony held at the Civic Auditorium. The following night, June 10, crew members attended the Prom.

The graduation ceremony climaxes the year's activities. Last year, the Roosevelt Choir provided music for the event.

Sail a Straight Course

Setting the course for the Class of '61 were Steve Newman, *president*; Tim Hagman, *vice-president*; Becky Wilkie, *secretary*; Susan Greenawalt, *treasurer*; and Naomi Dopps, *ASR Representative*. The officers and committee chairmen, together, directed Junior Class activities through five committees: Entertainment, Sports, Public Service, Publicity, and News.

"Alaskan Aloha" was the theme of the Junior-Senior Party on December 10. The program included a guitar number, a line dance, and a beatnik skit in the auditorium. Refreshments were served in the lunchroom. On April 1 Juniors and Seniors attended "Fools' Paradise," the Junior-Senior Dance at the Norselander. Bob Marshall's Band provided music for the dance.

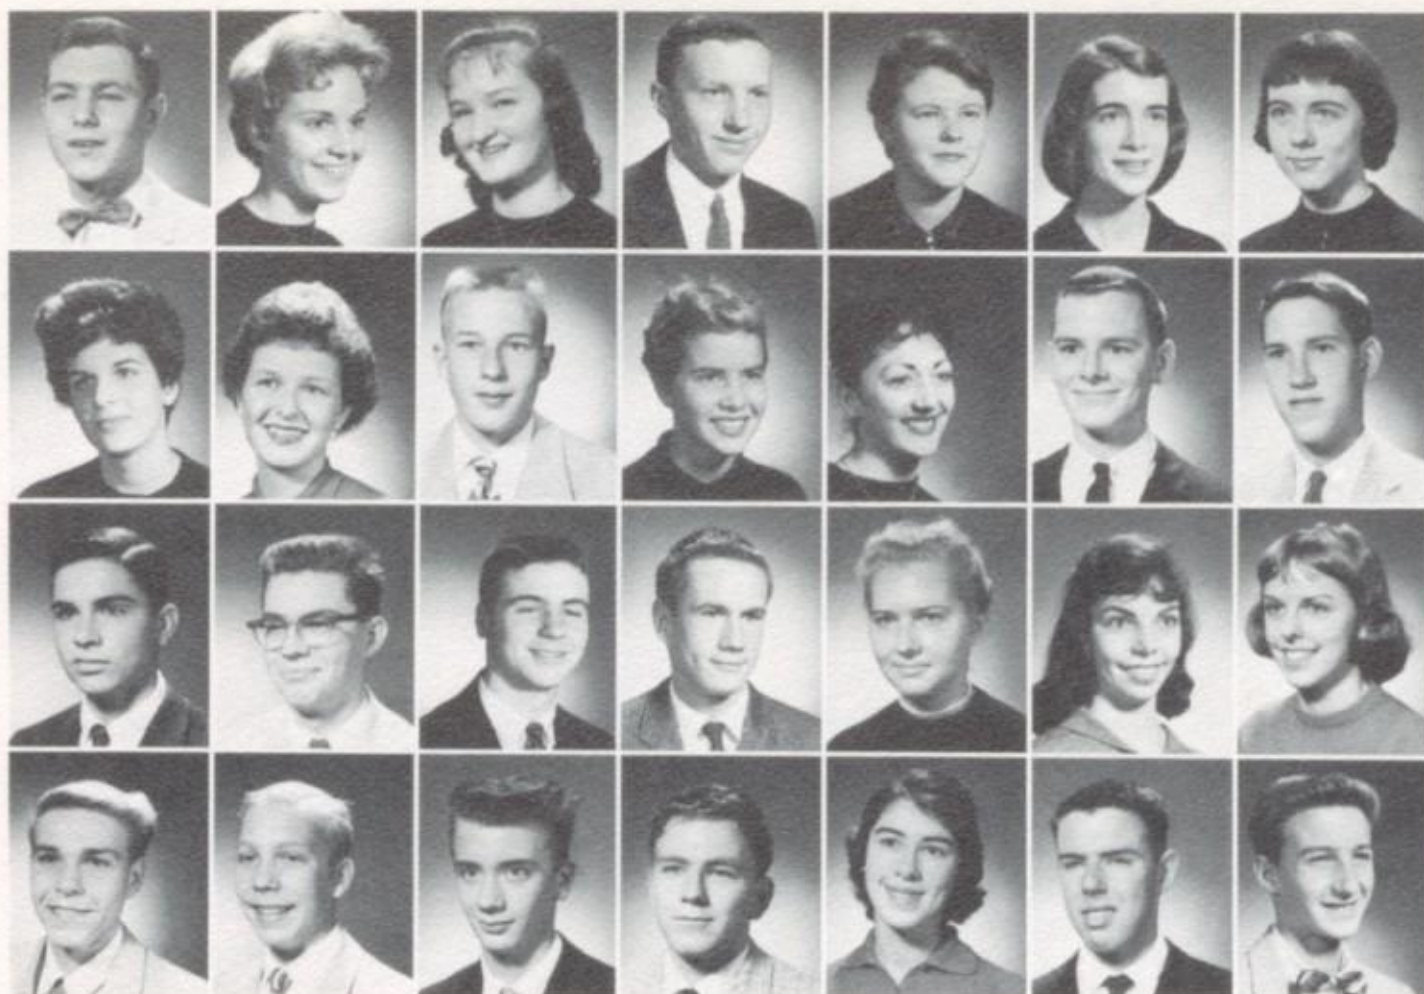

Juniors participated in two new activities this year. They challenged and defeated both Sophomores and Seniors in attendance at basketball games. They also held a Junior Assembly dealing with higher education and its connection with vocational choices.

The Class of '61 supplied both the football and basketball teams with skillful players. Stew MacDonald received All-City honorable mention in football for his punting and tackling ability.

Registering 888, the Juniors formed the largest class at Roosevelt this year. One hundred twenty-seven Juniors belonged to Torch.

Working on their individual projects are Junior Class committee chairmen: Susan Powers, Public Service; Sue Triol, Publicity; Robin Bracken, Sports. (Missing): Lydia Sciarrino, Entertainment.

"Wise Fools" Seek Spot

Serving as officers of the incoming Sophomores were Rob Norrie, *president*; John Vynne, *vice-president*; Kay Strother, *secretary*; Merrily Burke, *treasurer*; Shirley Weber, *ASR representative*. *Compass* and the Orientation assembly, which was led by the Spurs and Roughriders, acquainted Sophomores with activities, traditions, and school procedure. The Sophomore Class officers attended the ASR leadership conference where they observed demonstrations concerning different types of leadership, the art of bringing out different personalities in a group, and the qualifications of a leader.

The Sophomores held their annual class party on December 14, the theme being "Winter Carousel." The 175 Sophomores in attendance were entertained in the school auditorium by the German Band and the Dave Norman Quartet. John Vynne was the Master of Ceremonies. The Sophomores challenged the Juniors to an attendance contest at the January 22 basketball game and lost. The Class of '62 invited the Sophomore Class officers of Ballard to the Roosevelt Revue.

The Kady-Jan Trio of Kay Hamlin, Sandy Cook, Janet Sammons, and Shirley Wright, accompanist, represented the Sophomores in the Revue. Other talented Sophomores showed their abilities in the Revue.

Eighty-five of the 829 Sophomores enrolled at Roosevelt were members of Sophomore Torch.

Preparing for the Sophomore Class Party are Marsha Klinger, Decorations; Sue Betzold, Refreshments; John Vynne, Clean up; Sally Flint, Entertainment; Jackie Wolfheim, Publicity.

This has been one of the only language arts classes that I have enjoyed, and I have learned more in this class than I have in any other F.A. class. I have enjoyed this class in which I have learned more in this class than I have in any other F.A. class. I have enjoyed this class in which I have learned more in this class than I have in any other F.A. class.

Dear Mrs. Smith, I am so glad to hear that you are enjoying the Sophomore Torch. I am so glad to hear that you are enjoying the Sophomore Torch. I am so glad to hear that you are enjoying the Sophomore Torch. I am so glad to hear that you are enjoying the Sophomore Torch. I am so glad to hear that you are enjoying the Sophomore Torch.

Teds in the Limelight:

I would like to acknowledge your influence on me over a period of three years. In my sophomore year I remember three things in particular: a journal(!) and pages of green ink because someone hated being in the common blue-black variety ink. I distinctly remember determining to use blue ink forever so I wouldn't be one of the "mangy" green in order to real or themselves from the common herd. But, as you see, a series of coincidences have resulted in the formal and final change. And I accept it to you. I would also like to say that you taught me to think... this moment, the 1960 job writer's compliment? And at splendor than you influenced me as much as I influenced you.

*Mrs. Smith,
your class this semester
has really been a wonder-
ful experience. At first I
never thought I'd make
it but I finally did!
Thank-you so very much-
especially for getting me
interested in poetry, good
books and Shakespeare.
Thank you for a wonderful
inspirational year.*

*Sincerely,
Arlene Roller*

Dear Mrs. Smith,
 It's been a wonderful
 year with you. We'll
 see you next year.
 The Snipper

Mrs. Smith,
 It has really
 been wonderful
 having you as a
 teacher this year. I was
 really fortunate!! I have
 never learned more from a
 teacher in my life.
 Thanks so much. Have
 a wonderful
 summer.

Dear Mrs. Smith,
 My semester in
 your class has been an exciting
 never boring experience. One of the
 most valuable lessons I have
 learned is how to distribute my
 both-ends-burning candles more
 evenly. I am certain that I will
 never forget you or the English
 class. I'll see you or the English
 year to pickup my
 notebook.
 Marcia Lamm

Dear Mrs. Smith,
I recently read
that "The only thing worth
teaching anyone is a principle,"
and I think your class and
wonderful guidance came closer
to fulfilling that statement than
any other class or teacher I have
ever had. Your assignments were
challenging, sometimes frightening, but
always more rewarding because of their
difficulty. Besides, being a top teacher,
you are an inspiration to know, and I hope
your helpful advice is something I value
very highly.

Love
Nancy
Madrox

Dear Mrs. Smith,
I really doubt that my name belongs in your
annual, because if I didn't make a Hoarever
mistake, signing up for your class. I
it was made one of the nicest mistakes that
ever made in my life. I can't thank
you enough for the bottom of my heart.
Your friend, Lee ya, Andrew, Jewell, Robert
"Andy"

Mrs Smith,

I sure have enjoyed being in your class this year.
I have learned in this one class that I never had in
any class in my life. I will also remember
you and your nice personality which make
you one of the nicest persons I had the pleasure
of knowing.

Dear E. M. Smith

To be brutally frank you are a very unique woman. I would have liked to have gone to school with you. Believe me I am not being disrespectful, I am sincere. I want to thank you for shaping my high school career. We always remember the teachers who give us the most to do and I hope some day I can repay your kindness. I'd better stop before I cry. Thanks again

DEAR MRS. E. M.

THIS CLASS HAS BEEN A H. OF A LOT OF WORK, BUT VERY BENEFICIAL TO ME. I THINK I'VE LEARNED TO "THINK FOR MYSELF" AND MY WRITING SKILL HAS PROGRESSED - I HOPE. I REALLY APPRECIATE YOUR INSTRUCTION AND UNDERSTANDING. THANK YOU FOR A WONDERFUL SEMESTER.

KENT (ARLEON)

Dear Mrs. Smith,

I'll never forget last year - it was an experience that I've not yet recovered from. I think that as for one semester with notebooks and thoughts and on and on was fine - but I'd love to do it again. Congratulations on becoming Department Head. Have a wonderful summer.

- Dave Hunter

Dear Mrs. Smith:

This year has been most enjoyable for me. Mother & Daddy were so anxious to see who you were. The mother came ~~not~~ daddy said next year he would come for sure. The very best of luck to you in your coming class, and have a wonderful summer.
